Title:	20-04528 Engineering Lab Wing (ELW) Design Studio
Location:	Engineering Lab Wing Domestic -Water Shutdown /Labs Closure
Description:	<p>Facilities Management and Aral Construction are currently building a new engineering design studio on the north side of the ELW building. As part of this work, we need to make connections to the building's domestic water system, very close to where it enters the building.</p> <p>These connections will take approximately 8 hours to complete and will require a complete shutdown of the domestic water in the Engineering Lab Wing. Safety showers, eye washes, toilets, sinks, drinking fountains will all be without water for this period. <i>For safety reasons, no work may be performed in the labs during this time.</i></p> <p>Toilets, sinks and drinking fountains will remain active in the adjacent EOW and ECS buildings.</p>
Time frame:	Saturday August 9th, 2025 – 7:00 am- 3:00 pm
