

Invention Disclosure - Short Form

RESTRICTED AND CONFIDENTIAL INFORMATION

As it is in everyone's interest to provide the best possible intellectual property protection to both the inventor(s) and UVic, it is important that all relevant details of the invention are documented at this early stage, and that we develop an understanding of the potential market for your invention so that the best commercialization vehicle can be targeted.

In the following sections, please try your best to provide details of your invention. Feel free to attach additional materials that may be useful in evaluating your invention. If you need clarification in any of the sections, please connect with your Industry Liaison Officer (ILO) or contact the UVic Research Partnerships and Knowledge Mobilization (RPKM) office at researchpartnerships@uvic.ca. Send a draft of the completed form to your Industry Liaison Officer for review before signing.

- 1. INVENTORSHIP:** List the names of all potential inventors or persons who contributed in conceptualizing the invention. Please note that the final determination of inventorship on any patent that ultimately issues will be made by a patent attorney applying legal standards of inventorship.

	Inventor A	Inventor B	Inventor C
Inventor Name			
Position/Title at the time of contribution			
Department			
Contribution of this inventor			

Please append additional information if more than three inventors are involved.

- 2. TITLE OF INVENTION:** Provide non-confidential title of the invention.

3. DETAILED DESCRIPTION OF INVENTION: Describe how the invention works. Highlight the industry problem being addressed, and the novel features of the invention. Outline the benefits or key advantages over current solutions to the problem. Attach additional references (e.g. copy of published paper or grant proposal) as needed.

4. COMMERCIAL INTEREST: Has there been any commercial interest from companies on this invention? If so, provide the names of companies.

5. PUBLIC DISCLOSURE: Has there been any public disclosure of the invention?

No **Yes** (provide details/dates below)

6. **PUBLICATION PLAN:** Are there plans to publish or present to third parties any information relating to the invention?

No Yes (provide details/dates below)

7. **R&D FUNDING:** How has this invention been funded to date?

8. **THIRD PARTY RIGHTS:** Are there any individuals, companies, institutions or agencies (for example through MITACS, funding/sponsored research agreements, MTAs, software license, etc.) that may have rights to the invention?

No Yes (provide details below)

9. **UVIC CREATOR OWNED IP POLICY:** If known, please indicate which of the following apply:

The inventor(s) would like to retain ownership of the IP and do not request the assistance of the University in Commercializing the IP

IP protection is sought and the inventor(s) request the assistance of the University in Commercializing the IP

Regulations of the sponsor of grant or contract research require different IP ownership provisions (please provide details below if not already provided in section 7 or 8)

None of the above (provide details below)

ACKNOWLEDGMENT:

The undersigned, UVic faculty member, does hereby declare and confirm that to the best of his/her knowledge, all information provided in this invention disclosure form is accurate and complete.
