

Public Health Nurse available at the Family Centre 2017

February 6th

March 6th

April 3rd

May 8th

June 5th

June 26th

September 18th

October 2nd

November 6th

December 4th.

Jane Wismer, Public Health Nurse with Vancouver Island Health Authority, will be at the Family Centre from 10am –12 noon on the dates listed above. She will be here to support you with any health related questions, weigh and measure babies and check immunization records. Jane will also be able to give immunizations at the Family Centre (arrangements for these need to be made ahead of time). Come with your questions about food, sleep or child development. Look forward to seeing you!
