Imagine you are presented with two choices. The first is that you go indoors, get a cart, and roll it around a grocery store with fluorescent light beaming down on you, while recorded music is played through the speakers. Alternatively, you could stroll outside in the sunshine amongst stalls of fresh produce, meet up with friends, and make an evening of it. All the while, live music plays.

If you have not visited a Farmers Market before, let this be the summer that you do. Farmers markets provide a plethora of opportunities and advantages over the usual method of shopping at a grocery store. When you buy fresh, locally grown produce, you know where your food is coming from. You’re also supporting a smaller family-run business in today’s globalized economy where large agribusiness is taking over food production in Canada. You may even have the opportunity to connect directly with the farmer who has grown it, learning how the fruit or vegetable has been grown. You can purchase fresh produce knowing that it has been grown using methods that minimize the impact on the earth and that have reduced fossil fuel footprint. Did you know that food travels on average 2500kms (1500 miles) from farm to plate when you purchase it from a grocery store (statistic taken from http://www.cuesa.org/learn/how-far-does-your-food-travel-get-your-plate).

Money Matters

Most of us are living on a tighter budget as students. Every month this column will offer a tidbit of advice to lighten the load.

This month…

The LIFE Pass

The Greater Victoria Recreation Centres offer the LIFE Pass, which allows you to have 50 free drop-ins (swimming, skating, gym, drop-in fitness classes) per year, plus four classes at 50% off the usual price. Although full-time students are not eligible for the LIFE pass, their spouses and children are. If you live in Lam Circle, you are a resident of Saanich and Gordon Head Recreation Centre is the closest. However, you can use your LIFE pass at all Greater Victoria Recreation Centres.

All you need to take with you is proof of residence and your most recent notice of assessment. You also need each family member who will receive a LIFE Pass with you as a photo will be taken for the card.

The fruits and vegetables you buy at the farmers’ market are the freshest and tastiest available. Fruits are allowed to ripen in the field and are brought directly to you – no long-distance shipping, no gassing to simulate the ripening process, no sitting for weeks in storage. This food is as real as it gets – food fresh from the farm. It’s going to nourish your body too. Many of the local farmers go to great lengths to grow the most nutritious produce possible by building their soil’s fertility and giving their crops the nutrients they need to flourish in the ground and nourish those who eat them.

Are you ready to go? Take your pick from the following.

**Bastion Square Market** – Thursdays, Fridays, Saturdays, and Sundays 11:00am-4:30pm

**Breakwater Market** (Odgen Point Breakwater) – Sundays, 11:00am-4:00pm

**James Bay Community Market** (corner of Menzies and Superior St) – Saturdays, 9:00am-3:00pm

**Moss Street Market** (Sir James Douglas Elementary School grounds, Moss Street and Fairfield Road) – Saturdays, 1:00am-2:00pm

**Oaklands Sunset Market** (Oaklands Community Centre, Belmont St) – Wednesdays, 4:30-8:30pm

**Ship Point Night Market** (Ship Point Pier, Inner Harbour) – Weekends, 7:00-10:30pm

**Oak Bay Night Market** (Oak Bay Avenue) – 4:00-8:00pm

**Sidney Street Market** (Beacon Avenue) – Thursdays, 5:30-8:30pm

A brief Lam Circle survey revealed that the Sidney Street Market (pictured below) is the favourite to go to.

**NOBODY’S PERFECT**

Make it easy for your child to behave well by implementing the following tips in your household.

**Make your child’s surroundings safe and interesting.** If your home is safe for your child to play and explore in, it will diminish the amount of times you need to say “No” to your child.

**Create family routine.** Children feel safer when they know when and in what order things happen. It’s easier for them to follow rules when things become a habit.

**Be a good example.** Behave in a positive way so that your child knows what you expect. If you are polite to them, they are more likely to be polite too.

**Praise and encourage your child.** Let them know when you notice their good choices and behavior. Then they will know what you expect of them.
