"Happy New Year" to all our families here at UVic - and a special warm welcome to our new families. September is always a time for change and renewal and the Family Centre is no exception. We are excited to announce that as of September 1st, we will be part of the Division of Student Affairs where we will be working closely with Child Care Services (CCS). This change will increase our opportunities to provide high-quality programming that responds to the diverse needs of our student families, as well as give us the opportunity to be more closely aligned with other child and family services here at the university. This move also provides for more integrated planning across a continuum of services and supports related to students and their families. We look forward to this collaboration and being more connected with CCS.

With this partnership, CCS will be using the Family Centre for their After School Program this year. As a result, the Family Centre’s After School Program will look a little different. We will send out more details once our Work-Study students and practicum students have started this fall.

Once again, welcome back and all the best for a successful school year! We are looking forward to seeing you all at our "Welcome Back Pancake Breakfast" on September 16th.

Miriam, Emma and Sandy.

Early Learning Program

The Early Learning Drop-in Program will run Wednesday & Friday mornings from 10am - 12noon. If you have children in the 0-5 age range, this program is ideally suited to them. Families are welcome to drop in and participate in learning through play. We look forward to welcoming back families as well as meeting new families.

Public Health Nurse Available at the Family Centre

September 18th
October 2nd
November 6th
December 4th.

Jane Wismer, Public Health Nurse with Vancouver Island Health Authority, will be at the Family Centre from 10am –12 noon on the dates listed above. She will be here to support you with any health related questions, weigh and measure babies and check immunizations records. Jane will also be able to give immunizations at the Family Centre (arrangements for these need to be made ahead of time). Come with your questions about food, sleep or child development. Look forward to seeing you!
The UVic Graduate Students’ Society (GSS) is the representative voice of graduate students on campus. We provide advocacy, peer support, referrals, and advice from people who have “been there”. We also meet with the President and Senior Administration regularly and raise concerns on behalf of our members.

All GSS board members (including Jess and Danny who live in family housing!) and most GSS office staff are graduate students, too. We are familiar with UVIC rules and regulations that affect graduate students, and can provide referrals, advice, confidentiality and support.

The GSS has organized a series of social events as part of a Welcome Weekend for new students. The goal is to introduce you to one another, to UVic, and to the city of Victoria! Events include icebreakers, an evening social downtown, a hike up Mount Douglas and a day by the beach in Cadboro Bay. Visit the GSS website gss.uvic.ca or follow us on Facebook https://www.facebook.com/UVICGSS for more information and how you can get involved.

**Set Your Kids Up For Success in School**

Teacher and writer Patricia Porter has extensively studied why some children learn more easily than others. Her answer is simple. Parents make the difference!

Parents often worry over choosing the top tutoring programs or the best books to buy to aide their children’s learning. And while these might be helpful and beneficial, simply showing your kids how to learn is incredibly powerful.

With an adult student in every home in Family Housing, we are apt to provide our children with this opportunity. If you want your child to learn, show your child that you are learning and let them see the process you are going through.

Do you want your child to learn to read? Let him see you reading a book or a newspaper. Do you want your child to love math? Let her see you enjoying math problems, or working out your weekly budget. Do you want your child to get good grades? Let him see the effort you put into doing good work.

Be the best role model you can be. Spend time learning in a space where your child can observe you. Show your child how much you love learning and how important it is to make the effort and work hard. Making a small lifestyle change that takes little time and effort won’t cost you anything but can guarantee turning your child into a better learner.
Programs and Events

Family Learn and Share
On Monday mornings from 10:00am-12:00pm the Family Centre hosts a drop-in program for families to interact and learn from one another. Each week there is a designated focus topic and facilitator.

September 4th – Labour Day stat holiday – No programs.

September 11th – Childcare Resource and Referral.

September 18th – Public Health Nurse

Early Learning Program:
Families are welcome to this drop-in program that runs on Wednesday and Friday mornings from 10:00am-12:00pm. Learning through play is encouraged in an environment that promotes children’s inherent love of learning and sense of wonder. Each morning session concludes with a storytime with songs/music as well as an opportunity for outdoor play.

After School Club:
School Aged Kids (Grades 1-6) are invited to the Family Centre’s After School Club on Thursdays from 3:30 - 5:00 pm. We will be doing a variety of activities each week. These might include outdoor games like soccer, tag, and croquet, as well as puzzles, projects, board games, talent shows and crafts. Please make sure your kids are dressed for the outdoors.
Watch for details on a start date for this program.

Book Club:
The Family Centre has a book club that meets on the third Thursday of each month to discuss a novel chosen by the group. If you enjoy reading and would like to get together with others please come along. To find out more join our Facebook group or send us an email at familyhousingbookclub@gmail.com.

CAMPUS SECURITY
For emergencies call 250 721-7599, non-emergencies 250 721-6683. The non-emergency number can be used for questions or requests for information or services.
