UVic Family Centre Website Update:

We are happy to share that the UVic Family Centre website has been updated. You can find out all about the Family Centre including the monthly calendars, newsletters, programs, events, services and all the other great things happening at the Family Centre on that webpage. https://www.uvic.ca/familycentre/

Community Market Update:

We have put much thought into revising the food market and wanting to make the experience enjoyable and fair for all the attendees. We have been brainstorming new ideas and have consulted with other food markets in the area on options to fairly distribute the market food and move away from people having to line up. With these in mind and with great consideration we are going to try another approach. What we would like to try is a lottery style approach to the Community Market. At 6:00 pm attendees will come and receive a card. Matching cards will then be put in a hat and drawn out randomly. When your card is called you then come up and make your food choices. Our goal is to make the Community Market an experience everyone feels good about and a time to socialize over a coffee. Please feel free to share your feedback with Josephine or Rebecca as we give this a try! Thank you for your ongoing support.

Welcome Back!

Josephine and Rebecca are happy to open the Family Centre doors again after our summer holidays. We are excited for new families to join us as well as our families that we know and love. This September we will be introducing a few new events and keeping on with many of the favorite ones such as Drop In mornings and the Food Market. We also would like to welcome other community partners and practicum students from Camosun College and UVic. We are looking forward to our new start to the year and connecting with all the UVic families.

All the best,
Josephine and Rebecca

September 30th Orange Shirt Day

Orange Shirt Day honors the legacy of the Residential Schools, Survivors, Intergenerational Survivors and those who did not survive. The Orange Shirt and September 30th are symbolic of the day in which children were taken from their homes to residential schools and for one young girl her orange shirt was taken away from her on her first day of school (Safe and Caring website, July 18, 2019).

“Orange shirt day is also an opportunity for First Nations, local governments, school and communities to come together on the spirit of reconciliation and hope for generations of children to come” (Orange Shirt Day Website, July 18, 2019).
