LIKELIHOOD	
Almost Certain 5	We expect that the risk will occur many times a month
	We fully expect the risk to occur
	The risk is already happening
Likely 4	We expect that the risk will occur at least once a year
	We expect that the risk will most probably occur
Possible 3	We expect that the risk will occur once in 3 years
	We expect that the risk may occur at some time and we think it more likely than not
Unlikely 2	We expect that the risk will occur once in 10 years
	We expect that the risk may occur at some time, and we think it less likely than not
Rare 1	We expect that the risk will occur once in 50 years
	We expect that the risk may occur only in exceptional circumstances but that it is highly doubtful that it will
