(7) Maximum Benefit Rules - Application

- (a) Notwithstanding any other section hereof, the initial annual lifetime Retirement Benefit payable in accordance with this Section 9, whether upon retirement, termination of Covered Employment or termination of the Plan, shall not exceed the amount set out in subsection (6) above.
- (b) In this Section 9 and Section 12 the words and phrases set forth below shall have the following meanings unless a different meaning is plainly required by the context:
 - (i) “highest average compensation indexed to the calendar year in which payment of the Retirement Benefit is to commence” means one-third (1/3) of the aggregate indexed monthly compensation for three (3) non-overlapping periods of twelve (12) consecutive months. Indexed monthly compensation is calculated by multiplying the monthly compensation received from the University by the ratio of the average wage for the calendar year in which the payment of Retirement Benefit is to commence to the average wage for the calendar year in which the compensation was received.

Indexed monthly compensation for a month occurring prior to

January 1986 is calculated by multiplying the monthly compensation received from the University by the ratio of the average wage of the calendar year in which the payment of Retirement Benefit is to commence to the average wage for 1986.

In the event that average wage for one or more calendar years in the period commencing with the later of 1986 and the year in which the compensation was received and ending with the year prior to the calendar year in which payment of the Retirement Benefit is to commence is higher than the average wage for the calendar year in which payment of the Retirement Benefit is to commence then the highest of such values of the average wage shall be used in place of the average wage for the calendar year in which payment of the Retirement Benefit is to commence in calculating the indexed monthly compensation.

In the event that the Member has not been employed in Covered Employment for three (3) non-overlapping periods of twelve (12) consecutive months, the highest average compensation indexed to the calendar year in which payment of the Retirement Benefit is to commence will be determined as twelve (12) times the average indexed monthly compensation over all months for which the Member has been employed in Covered Employment.

- (ii) “defined benefit limit” means in respect of a calendar year prior to 1996, \$1,722 and in respect of a calendar year after 1995 such amount as is determined in accordance with Regulation 8500(1) to the Income Tax Act.
- (iii) “adjusted CPI” for a calendar year means the CPI for such calendar year or, if higher, the highest value of the CPI for a calendar year in the period commencing with the calendar year in which payment of Retirement Benefits commenced and ending with the calendar year prior to the calendar year for which the adjusted CPI is to be determined.
- (iv) “CPI” for a calendar year means the average Consumer Price Index for Canada for the months of July, August, and September of the preceding calendar year.

(a) Subject to the provisos hereinafter contained in this subsection 12(5), the annual paid-up deferred Retirement Benefit payable to a Member in accordance with this section shall be adjusted as at the January 1 next following date of termination of Covered Employment and at each succeeding January 1 during the Member's lifetime prior to commencement of his or her pension so that the amount payable shall be an amount equal to the product obtained by multiplying:

(i) For Terminations Prior to January 1, 1993:

(A) the amount that would have been payable if no adjustment had been made under this subsection since his or her termination date, by the ratio that the Consumer Price Index for Canada (referred to herein as the CPI) as published by Statistics Canada as at the September 1 preceding the January 1 of the said succeeding calendar year bears to the Index at the September 1 of the calendar year in which the Member's date of termination occurred,

(B) PROVIDED HOWEVER that such ratio may not exceed the ratio of the Average Industrial Wage for Canada (referred to herein as the Average Wage) for the same period,

(C) PROVIDED FURTHER that the adjusted amount payable in the said succeeding Plan Year shall not exceed the amount obtained by multiplying the amount payable for the last month of the immediately preceding Plan Year by 1.03 nor be less than the amount obtained by dividing the amount payable for the last month of the immediately preceding Plan Year by 1.03,

(D) PROVIDED FURTHER, that the annual paid-up deferred Retirement Benefit payable to a Member shall not be less than his initial annual paid-up deferred Retirement Benefit as herein defined.

(ii) For Terminations on and after January 1, 1993:

(A) the amount that would have been payable if no adjustment had been made under this subsection since his or her termination date, by the ratio that the CPI, as published by Statistics Canada as at the September 1 preceding the January 1 of the said succeeding calendar year bears to the

CPI as of the first day of the fourth month preceding the Member's date of termination,

- (B) PROVIDED HOWEVER that such ratio may not exceed the ratio of the Average Wage for the same period,
 - (C) PROVIDED FURTHER that the adjusted amount payable each month in the said succeeding Plan Year shall not exceed the amount obtained by multiplying the amount payable for the last month of the immediately preceding Plan Year by 1.03 (or one plus .0025 times the number of months since termination, if the Member terminates in such Plan Year) nor be less than the amount obtained by dividing that amount payable for the last month of the immediately preceding Plan Year by 1.03,
 - (D) PROVIDED FURTHER, that the annual Retirement Benefit, payable monthly, to a Member shall not be less than his or her initial annual, paid-up deferred Retirement Benefit as herein defined.
- (6) Annual Adjustment to paid-up Deferred Retirement Benefit Payable Effective January 1, 2012

 - (b) The minimum adjustment in a particular year is zero and the maximum adjustment is 3% of the amount paid immediately prior to the adjustment. If less than 12 months have elapsed since the Member's termination date, the maximum adjustment is 0.25% for each month that has elapsed from the Member's termination date to the adjustment date,
 - (c) PROVIDED HOWEVER that such adjustment may not exceed the ratio of the Average Industrial Wage for Canada (referred to herein as the Average Wage) for the same period.
 - (d) The amount of the annual adjustment to benefits in a particular year shall be calculated as the pension eligible for adjustment in paragraph (6)(a) above, that includes all previous annual adjustments, adjusted:
 - (i) by the percentage change in the average of the Consumer Price Index in the 12-month period ending September 30 in the immediately preceding year, and the average of the Consumer

Price Index in the 12-month period ending September 30 in the year immediately prior to that preceding year,

- (ii) plus or minus any Carry Forward addition or deduction from the immediately preceding year as described in paragraph (6)(f) below, subject to the limits described in paragraph (6)(b) above.
 - (e) If less than 12 months have elapsed since the Member's termination date, the value of the adjustment calculated in paragraph (6)(d) above will be reduced to the amount obtained by multiplying the percentage change by 1/12 for each month that has elapsed from the Member's termination date to the adjustment date.
 - (f) If the unlimited adjustment calculated in paragraph (6)(d) above exceeds the maximum adjustment described in paragraph (6)(b) above, the amount by which the unlimited adjustment exceeds the maximum shall be a Carry Forward addition in the subsequent year's adjustment calculation. If the unlimited adjustment calculated in paragraph (6)(d) above is negative, this negative amount shall be a Carry Forward deduction in the subsequent year's adjustment calculation.
- (7) If a terminating Member has made additional voluntary contributions, the Member is entitled to the options set out in subsection 21(8).
- (8) Any transfer of the Commuted Value of a paid-up deferred Retirement Benefit made in accordance with this Section 12 shall be subject to the restrictions in the Pension Benefits Standards Act with regard to the solvency of the Plan.

14 GOVERNANCE OF PLAN

(1) Administrator

For the purposes of the Pension Benefits Standards Act, the University is the “administrator” of the Plan, and has ultimate legal responsibility for the administration of the Plan and the investment of the Trust Fund.

The University shall be responsible for the overall operation and administration of the Plan and shall have the power to decide all matters concerning the operation, administration and interpretation of the Plan. The University may delegate any and all of its authorities and responsibilities under the Plan to such agents, employees or committees as it deems reasonable, including the Governance Committee and the Investments and Administration Committee; provided, however, that the University is satisfied that any parties to whom it delegates have the necessary qualifications to carry out the delegated responsibilities, and the University ensures that the supervision of such parties is prudent and reasonable.

(2) Governance Committee

The University shall establish a Governance Committee to oversee the governance of the Plan. The composition, powers and responsibilities of the Governance Committee are more particularly set out in the Plan’s governance policy.

(3) Investments and Administration Committee

The Governance Committee shall establish an Investments and Administration Committee to discharge the University’s obligations relating to the investment of the Trust Fund and the administration of the Plan. The composition, powers and responsibilities of the Investments and Administration Committee are set out in the Plan’s governance policy.

(4) Limitation of Liability

Neither the establishment of the Plan, nor any modification thereof, nor any action taken hereunder, nor any omission to act, if done honestly and in good faith and not constituting willful misconduct by the Governance Committee, the Investments and Administration Committee or any member of either Committee, or by the University or any employee thereof, shall be construed as giving to any Member, Retired Member or other person, any legal or equitable right against the University, the Governance Committee, the Investments and Administration Committee, any member of either Committee or any employee of the University. No Committee member shall be liable for the act or omission of any other Committee member, or of any agent or employee of the Committee or of the University.

(5) Pension Advisory Committee

The University may establish in its sole discretion a “Pension Advisory Committee” to promote awareness and understanding of the Plan amongst Members and Retired Members of the Plan. The composition, roles and responsibilities of such committee shall be as determined by the University from time to time.

15 TRUST FUND

- (1) The duties of the Trustee shall be those specified in the Trust Agreement and shall include the following:
 - (a) It shall receive from the University, the University's contributions to the trust as set forth in Section 6 and the Members' contributions as set forth in Section 5;

 - (f) It shall notify the superintendent within 15 days if contributions have not been paid within 30 days applicable after the end of the remittance period set out in subsection 5(5) or 6(8), whether or not the contributions were subsequently remitted.
- (2) All payments under the Plan, including all administration and investment expenses, shall be made or provided for solely from the Trust Fund and solely to the extent that such Trust Fund shall suffice therefor. If the Trust Fund should be insufficient to provide for any payment or benefit under the Plan whatsoever, none of the University, the Investments and Administration Committee, nor the members, officers or representatives of either of them shall be liable for any such payment in any manner whatsoever, except as set out in the Pension Benefits Standards Act.
- (3) The Trust Fund must be held and invested in accordance with the Pension Benefits Standards Act.
- (4) Solvency Reserve Account

The University may in accordance with the Pension Benefits Standards Act establish a "solvency reserve account" within the Trust Fund, and make contributions to, and withdrawals from, that solvency reserve account in accordance with the Pension Benefits Standards Act. Without limitation, no amounts in the solvency reserve account will be used for the payment of Plan

benefits or Plan expenses, while the Plan is ongoing, unless at the time of such payment or funding the remainder of the Trust Fund is exhausted.

16 NON-ALIENATION OF BENEFITS

- (1) Subject to the Pension Benefits Standards Act, Members, Retired Members and beneficiaries under the Plan are hereby restrained from assigning, charging, anticipating, giving as security or surrendering their Retirement Benefits or other Plan benefits or any other rights or interests under the Plan, except that the entitlement of any person to receive a benefit under the Plan is subject to entitlements arising under a separation agreement or order made under the Family Law Act or a similar order of a court outside British Columbia enforceable in British Columbia, that affects the payment or distribution of a person's benefits and which is filed with the Trustees.
- (2) If any persons who shall be entitled to any benefit under this Plan shall become bankrupt or attempt to anticipate, alienate, sell, transfer, assign, pledge, encumber or charge such benefit, then such benefit shall, in the discretion of the University and in accordance with the Plan, cease and terminate, and in that event the University may cause the same, or any part, to be held or applied to the benefit of such person, Spouse, children or dependents, or any of them, in such manner and in such proportion as the University shall determine.

17 AMENDMENT AND TERMINATION OF THE PLAN

(1) Amendment

- (a) The University may at any time supplement, modify or amend this Plan provided that no such supplementation, modification or amendment of the Plan or any part thereof shall permit any part of the assets of the Trust Fund to revert to or be recoverable by the University or to be used or diverted to purposes other than for the exclusive benefit of Members, Retired Members or their beneficiaries or joint annuitants under the Plan.

(2) Termination

- (a) The University may terminate the Plan and the Trust Agreement provided that any such termination shall not be retroactive in effect, and provided that written notice of such termination shall be given at least 60 days before the effective date of such termination to the Members, Retired Members and the Designated Beneficiaries of deceased Members and Retired Members if they are entitled to benefits from the Plan, and provided that no such termination of the Plan shall permit any part of the assets of the Trust Fund to revert to or be recoverable by the University or to be used or diverted to purposes other than for the exclusive benefit of Members, Retired Members or their beneficiaries or joint annuitants.
- (b) In the event of the termination of the Plan, the Investments and Administration Committee shall allocate the assets of the Trust Fund as follows:
 - (i) first, to each Member, an amount equal to the value of his or her Additional Voluntary Contribution Account, if any, with interest;
 - (ii) second, to each Member, Retired Member and Designated Beneficiary of a deceased Member or Retired Member if he or she is entitled to benefits from the Plan, an amount equal to the Member or Retired Member's required contributions with interest; and
 - (iii) third, to each Member, Retired Member and Designated Beneficiary of a deceased Member or Retired Member if he or she is entitled to benefits from the Plan, the excess if any of his or her accrued benefits on the Plan termination date over the amount allocated under subparagraph (ii).
- (c) If, at the Plan termination date, the assets of the Trust Fund are insufficient to provide for all of the benefits contemplated by paragraph (2)(b), the University shall contribute the amounts required to fund those benefits in accordance with the Pension Benefits Standards Act. If despite the

preceding sentence, the Trust Fund remains insufficient to provide for all of the benefits contemplated in paragraph (2)(b), the assets of the Trust Fund shall be allocated and distributed pursuant to section 135 of the regulations under the Pension Benefits Standards Act, as amended or replaced from time to time.

- (d) If, at the Plan termination date, any surplus assets remain after provision for all the benefits that have accrued up to the date of Plan termination, calculated as described in paragraph (2)(b), such surplus assets shall be distributed to Members and Retired Members in accordance with a non-discriminatory formula adopted by the Investments and Administration Committee. Any distribution of excess funds will only be made after appropriate disclosure in accordance with the Pension Benefits Standards Act and written approval of the regulating authority.
- (e) Members who have not commenced receipt of a Retirement Benefit at the Plan termination date, may within 90 days of receiving the statement required by the Pension Benefits Standards Act elect to transfer the amount payable under paragraph (2)(b) or (2)(c), as applicable, in accordance with the options set out in paragraph 12(1)(b). If such individual does not make such an election within such time limit, he or she is limited to the options offered at the discretion of the University in accordance with the Pension Benefits Standards Act.

18 MISCELLANEOUS

(1) Information Disclosure

Each Member and Designated Beneficiary of a deceased Member entitled to benefits under the Plan shall be entitled to receive or request the statements, Plan documents and other information required to be provided or disclosed by the Pension Board in accordance with the Pension Benefits Standards Act.

(2) Payments

- (a) If a person elects a lump sum payment or transfer from the Plan, the payment or transfer shall be made within 60 days after the person completes and files with the Investments and Administration Committee, all documents required to authorize the payment or transfer, including evidence of entitlement. If such payment or transfer occurs more than 180 days after the date on which the Commuted Value of the benefit was determined, the Commuted Value will be redetermined as at a date that is not more than 30 days before the date of payment or transfer. The payment of the entire amount of an individual's entitlement from the Plan shall constitute a complete, final, and binding discharge of all obligations owed by the Plan to an individual and the individual shall thereafter have no right of claim whatsoever against the Plan and, if the individual was a Member, the Member shall for all purposes cease to be a Member of the Plan.
- (b) If a payment is in excess of the maximum limit that can be transferred to another plan or to an RRSP under the Income Tax Act, then the amount of that payment that is in excess of that maximum limit is exempt from any lock-in restrictions and must be paid in a lump sum.
- (c) Despite any other provision of this Plan, if under the Plan a lump sum cash payment may be payable to a person, and the Income Tax Act permits the entire amount of that cash lump sum to be transferred directly to a registered retirement savings plan, that lump sum payment may be transferred to a registered retirement savings plan at the option of the person to whom the lump sum is payable.

(3) Exceptions to Locking-in of Commuted Value of Benefits

(a) Small Benefit

If the Commuted Value of Member or surviving Spouse's entitlement under the Plan is less than 20% of the YMPE for the calendar year in which the Member terminated Covered Employment, retired or died, or any subsequent year in which such Commuted Value is determined prior

to the date on which payment of the Member or Spouse's Retirement Benefit commences,

- (i) the Member or surviving Spouse, as the case may be, may elect to receive the Commuted Value in a lump sum; and
- (ii) notwithstanding subparagraph (a)(i), the Investments and Administration Committee reserves the right to compel a Member or surviving Spouse, as the case may be, to take the Commuted Value in a lump sum.

(b) Non-Resident

- (i) A Member who has terminated Covered Employment pursuant to Section 12 or a surviving Spouse entitled to a benefit under Section 11 may elect to withdraw as a lump sum an amount equal to the Commuted Value of his or her benefit on providing to the Investments and Administration Committee a statement signed by the Member or Spouse that he or she has been absent from Canada for more than two years and written evidence that the Canada Revenue Agency has confirmed the person's status as a "non-resident" of Canada for the purposes of the Income Tax Act.
- (ii) If a Member who wishes to make an election in accordance with subparagraph (b)(i) has a Spouse at the date of such election, no payments will be made unless the Investments and Administration Committee has received:
 - (A) a statement in Prescribed Form by the Spouse that states that the Spouse is aware of his or her entitlement under the Plan, waives that entitlement and was signed by the Spouse, not more than 90 days before the election is made, in the presence of a witness and outside the presence of the Member; or
 - (B) confirmation, in a form and manner satisfactory to the Investments and Administration Committee, that section 145 of the Family Law Act applies.

(c) Shortened Life Expectancy

- (i) Despite any other provision of this Plan, if a person who has a current entitlement to receive a benefit under the Plan, other than a Retired Member or a surviving Spouse of a Member currently in receipt of any form of lifetime pension under the Plan, has an illness or disability that is certified by a medical practitioner to be

terminal or likely to shorten the person's life considerably, that person may elect to:

- (A) convert all or part of the benefits on the basis prescribed in the Pension Benefits Standards Act to a series of payments for a fixed term; or
 - (B) withdraw as a lump sum an amount equal to the commuted value of the benefit, or any lesser amount that the person may select.
- (ii) If a Member who wishes to make an election in accordance with subparagraph (c)(i) has a Spouse on the date of such election, no payments will be made unless the Investments and Administration Committee has received:
- (A) a statement in Prescribed Form by the Spouse that states that the Spouse is aware of his or her entitlement under the Plan, waives that entitlement and was signed by the Spouse, not more than 90 days before the election is made, in the presence of a witness and outside the presence of the Member; or
 - (B) confirmation, in a form and manner satisfactory to the Investments and Administration Committee, that section 145 of the Family Law Act applies.
- (iii) The Commuted Value of a Member's pension entitlement under the Plan will be determined without taking into consideration the Member's shortened life expectancy and on the basis that the Member terminated Covered Employment on the date of the election.
- (iv) After any payment pursuant to this paragraph 18(3)(c), the Member will continue to participate in the Plan. On the Member's subsequent actual termination of Covered Employment, retirement or death, any payments made with respect to such Member will be actuarially reduced to reflect any payments made under this paragraph 18(3)(c).

(4) Designation of Beneficiary

- (a) A Member or Retired Member's Designated Beneficiary is:

 - (c) **“Total Retirement Benefit”** shall mean the sum of the Basic Retirement and the Supplementary Retirement Benefits.
 - (d) **“Supplementary Retirement Benefit Account”** shall mean the account to which are credited the supplementary contributions provided for in Section 2 of this Appendix I. This account shall be part of the Trust Fund, shall share in the actual investment earnings or losses of the Trust Fund, shall be charged with supplementary retirement benefits paid and shall bear its proportionate share of the expenses of the Plan.

2 Supplementary Contributions

- (1) By Member:

In addition to the contributions required to be made in accordance with subsection 5(1) of the Plan each Member shall be required to make contributions of one-quarter of one per cent (0.25%) of his Basic Salary for each time period in respect of which required contributions are made under the Plan.
- (2) By University:

In addition to the contributions required to be made in accordance with subsection 6(1) of the Plan, and pursuant to the Actuary’s recommendation, the University shall make matching contributions equal in each month to the contributions made by the Members in accordance with subsection 2(1) above of this Appendix.
- (3) By Member and University:

Effective January 1, 1998, the contributions described in subsections 2(1) and 2(2) above may from time to time and in whole or in part be directed, following consultation with the Actuary and an agreement between the Members and the University, to a Fund other than the Supplementary Retirement Benefit Account.

3 Supplementary Retirement Benefits

The Investments and Administration Committee may authorize payment of Supplementary Retirement Benefits subject to the provisions of this section. The amount of supplementary retirement benefit payable in any year shall be determined as that positive amount which, together with the basic Retirement Benefit payable in such year, is equal to the total Retirement Benefit payable in the preceding year increased by such percentage as the Investments and Administration Committee shall determine. The payment of benefits and the determination of amounts shall be subject to the following conditions:

- (1) The following persons may be eligible to receive supplementary retirement benefits:
 - (a) Retired Members who have attained the age of 66 years prior to the January 1st on which a supplementary retirement benefit becomes effective.
 - (b) Spouses of deceased Retired Members who are receiving retirement benefits from the Plan.
- (2) Supplementary retirement benefits shall be determined annually to become effective on January 1 of each year.
- (3) Supplementary retirement benefits shall be payable on the same form as the basic retirement benefit is paid.
- (4) The percentage increase determined at January 1 of a Plan Year will not exceed the percentage change in the average of the Consumer Price Index in the 12-month period ending September 30 in the immediately preceding year, and the average of the Consumer Price Index in the 12-month period ending September 30 of the year immediately prior to that preceding year.
- (5) The percentage increase shall be limited so that the supplementary retirement benefits determined using such percentage increase can be financed by the then assets of the Supplementary Retirement Benefit Account on a sound actuarial basis as certified by the Actuary, on the assumption that supplementary retirement benefits shall neither increase nor decrease thereafter (except on the death of a Retired Member or Spouse in accordance with the form of benefit elected for the basic Retirement Benefit).
- (6) In the event that a Retired Member who is in receipt of a supplementary retirement benefit dies and is survived by a Spouse who is not at that time aged 66, no further adjustment in supplementary benefit shall be made until such Spouse is aged 66 or more.
- (7) In the event that a Member dies prior to retirement and is survived by a Spouse who is not at that time aged 66, such Spouse shall not be eligible for a supplementary retirement benefit until the attainment of age 66.
- (8) Subject to subsection 3(5) above, the Investments and Administration Committee may, at its discretion and on a non-discriminatory selective basis, grant supplementary retirement benefits which are determined in a different manner than that outlined in this Appendix and which may exceed the limit in subsection 3(4) above, provided that the resulting total Retirement Benefit does not exceed the Retired Member's initial Retirement Benefit adjusted to reflect full increases in the Consumer Price Index since the Member's retirement date.

**APPENDIX II:
PARTICIPATING EMPLOYERS**

1 Application

- (1) Except as otherwise specified in this Appendix, the terms of the Plan shall apply to employees of Participating Employers as though they were employees of the University.
- (2) For greater certainty the references to the “University” as an employer of a Member or other individual in the Plan in the following sections of the Plan shall be deemed to be a reference to the Participating Employer that employs the relevant individual: the definition of “Basic Salary” in subsection 2(1) of the Plan and subsections 3(4), 5(5), 5(6), and 9(7) of the Plan. References to the “University” in respect of the required contributions in Section 6 and Appendix I of the Plan, shall be applicable to Participating Employers as set out in Section 4 below.

2 Definitions

- (1) For the purposes of this Appendix, “**Participating Employer**” means:
 - (a) Oceans Network Canada Society;
 - (b) Pacific Climate Impacts Consortium;
 - (c) Western Canadian Universities Marine Sciences Society;
 - (d) The University Club of Victoria; or
 - (e) any other employer acceptable to the University.

3 Eligibility and Membership

- (1) A Participating Employer and the University may designate, from time to time, any employee of such Participating Employer as:
 - (a) a Member, as a term of employment, effective the date determined by the University; or
 - (b) eligible to participate in the Plan on a voluntary basis, effective the date determined by the University.
- (2) The University shall at all times have the right to decide which of a Participating Employer’s employees are eligible for the Plan or have ceased to be eligible and shall supply the Investments and Administration Committee from time to time, or as may be reasonably requested by the committee, with a list of eligible employees of Participating Employers.

4 Participating Employer Contributions

- (1) Participating Employers shall make contributions on the same basis as the University as set out in subsections 6(1), 6(2), 6(3), 6(4), 6(5), 6(6), 6(7) and 6(8) of the Plan and Section 2 of Appendix I.
- (2) The amount that a Participating Employer is required to contribute under subsection 6(2) of the Plan shall be determined on the advice of the Actuary, who in giving such advice must pursuant to subparagraph 147.2(2)(a)(vi) of the Income Tax Act apportion in a reasonable manner the Plan's assets and liabilities among the University and the Participating Employers and base his or her funding recommendations for the University and each Participating Employer on such apportionment.
- (3) Notwithstanding subsections 6(7) and 6(8) of the Plan, if the University remits to the Trust Fund amounts that a Participating Employer is required to remit to the Trust Fund pursuant to this Section and Section 6 and Appendix I of the Plan in respect of that Participating Employer's present or former employees, that Participating Employer must promptly reimburse the University for all such amounts.

5 Withdrawal of Participating Employer

- (1) Members that are employees of Participating Employers comprise an immaterial percentage of the Plan's membership and the cessation of participation in the Plan by a Participating Employer will generally not have an adverse impact on the Plan. However, if the University, in its discretion, determines that the cessation of participation in the Plan by a Participating Employer will have an adverse impact on the Plan, then the University will follow the process set out in subsections 5(2) through 5(5).
- (2) If a Participating Employer ceases to make contributions to the Trust Fund in respect of the Members that it employs and consequently ceases its participation in the Plan, the University, with the assistance of the Actuary, will identify as of the effective date that such Participating Employer (the "**Withdrawing Employer**") ceased participation:
 - (a) the Members and Retired Members who were last employed by the Withdrawing Employer or who derive their entitlement under the Plan through such an individual (the "**Withdrawing Employer's Members**");
 - (b) the actuarial liabilities associated with the Withdrawing Employer's Members (the "**Withdrawing Employer's Liabilities**"); and
 - (c) in a manner consistent with the methodology used by the Actuary in apportioning the Plan's assets among Employers when making funding recommendations pursuant to subsection 4(2) above, the portion of the

Trust Fund that is allocable to the Withdrawing Employer (the “**Withdrawing Employer’s Assets**”).

- (3) The Withdrawing Employer’s Assets shall be allocated to the Withdrawing Employer’s Members as set out in paragraph 17(2)(b) of the Plan.
- (4) If the Withdrawing Employer’s Assets are less than the Withdrawing Employer’s Liabilities, the Withdrawing Employer is liable for that solvency deficiency and must remit to the Trust Fund within the time periods and in the manner required by the Pension Benefits Standards Act the amount of that solvency deficiency. In no event shall the University or any other Participating Employer be liable for such solvency deficiency.
- (5) If despite subsection 5(4), the Withdrawing Employer’s Assets remain insufficient to provide for all of the benefits payable to the Withdrawing Employer’s Members, the Withdrawing Employer’s Assets shall be allocated so that there is allocated to each Withdrawing Employer’s Member entitled to benefits from the Plan an amount equal to the product of the Commuted Value of that person’s benefits as of the date the Withdrawing Employer ceased participation in the Plan and the solvency ratio obtained by dividing the Withdrawing Employer’s Assets by the Withdrawing Employer’s Liabilities.

6 Termination of the Plan

- (1) If at the time the Plan is terminated under subsection 17(2) of the Plan there are one or more Participating Employers participating in the Plan and the Trust Fund has insufficient assets as set out in paragraph 17(2)(c) of the Plan, the amount required to be paid under paragraph 17(2)(c) of the Plan shall be paid by the University and the Participating Employers and the amount payable by each such entity shall be determined on the advice of the Actuary, who in giving such advice must pursuant to subparagraph 147.2(2)(a)(vi) of the Income Tax Act apportion in a reasonable manner the Plan’s assets and liabilities among the University and the Participating Employers and base his or her funding recommendations for the University and each Participating Employer on such apportionment.
