T. S. McPherson Legacy Honour Roll

Individuals who are committed to leaving a legacy gift to the University of Victoria are invited to join the T. S. McPherson Legacy Society. These 257 supporters recognize the importance of legacy giving and the impact these gifts have on UVic’s ability to maintain and exceed its standard of excellence. The following Society members have graciously allowed us to publish their names on the list below in the hopes that it will encourage others to leave a legacy gift to the University of Victoria. Thank you!
