

“2+2” Dual Degree Program

The Bachelor of Commerce (BCom) program at Gustavson has a “2+2” dual degree program with several partner institutions. In Year 1 & Year 2 students complete pre-commerce courses (a mix of required courses and electives) and in Year 3 & Year 4 students complete their commerce courses.

Dual Degree students apply for entry directly into Year 3 of the BCom program after successfully completing a minimum of 2 years at their home institution. Upon completion of the BCom program, students will graduate with two degrees, a BCom degree from the Gustavson School of Business and a degree from their home institution. Prior to entering the Gustavson BCom program, students must complete the pre-commerce courses.

Partner Institutions:

- Beijing Jiaotong University
- Chongqing University
- East China Normal University
- Kwansai Gakuin University
- Meiji University
- National Sun Yat-sen University
- Radboud University
- Soochow University
