Travelling to Victoria

Victoria, British Columbia

Victoria is located on the southern tip of Vancouver Island which is approximately 100 km distance from Vancouver. Although on a map, it looks to be a short distance, it requires some planning and time to get to Victoria from Seattle or Vancouver and back to Vancouver by air, sea or land.

Transportation Information

By Air

Located thirty minutes from downtown Victoria, Victoria International Airport serves daily flights to and from Vancouver International Airport and Seattle-Tacoma Airport (Sea-Tac), as well as other points in Canada and the United States. Regular floatplane and helicopter service to Downtown Victoria is available from Vancouver and Seattle.
