SEE THINGS DIFFERENTLY.

5 reasons we're a different business school

We're brilliant by nature

- Live and learn in a place of astonishing beauty

We help you truly consider your footprint

- We are committed to embedding sustainability into every core course and specialization

We have a different point of view

- We teach business in a fundamentally different way

We're proud to have a vibrant learning culture

- Mandatory co-op education requirement
- International study opportunities through exchange, field-trips and consulting projects
- Executive mentorship program

We're international at heart

- Understanding different cultures and international business practices
