Introduction

This booklet contains information about your Group Benefits. Please keep it in a safe place. It is intended to summarize the principal features of your plan. All rights to benefits are governed by the Group Contract.

The Group Policy contains a provision removing or restricting the right of the Member to designate persons to whom or for whose benefit insurance money is to be payable.

The Group Contract does not permit a Member or Dependent to designate a personal representative or a beneficiary to receive benefits.

Defined terms are capitalized (e.g. Dependent). Pacific Blue Cross (PBC) is referred to as “we”, “us”, or “our” in this booklet. We will refer to you, the employee/Member, as “you” or “your” in this booklet.

Pacific Blue Cross, the registered trade-name of PBC Health Benefits Society, is an independent licensee of the Canadian Association of Blue Cross Plans.

Coverage is provided through:

- 3) We may reject your claim if sufficient information is not provided to enable a full assessment of the claim, or if an attempt is made, except through unintentional error, to make an excessive claim, or if a claim is made for a person who is not entitled, or if any Group Contract/Policy exclusion applies.

Claims

Electronic Claims

- 1) When submitting an electronic claim you must:
 - a) complete the claim form online and submit it electronically to us
 - b) keep original receipts and documentation to support the claim for 12 months from the date you submit the claim to us
 - c) if the claim is selected for review by us, you must submit the original receipts and supporting documentation electronically or by mail to us within 21 calendar days. If we do not receive this information within this time, your claim will be refused and your ability to submit electronic claims will be removed.
- 2) We reserve the right to remove your ability to submit electronic claims if you provide false, incomplete or misleading claims information. In such circumstances you will have to submit paper claims with supporting receipts and documentation.
- 3) You must provide explanation or proof to support the claim or any other information we consider necessary.
- 4) We must receive an electronic claim by December 31st of the calendar year following the year in which the expense was incurred. If your electronic claim is selected for review by us, we will accept the original receipts and supporting documentation after the December 31st deadline, but within 21 calendar days (see 1c) above) from the date of electronic submission.
- 5) Payment of the claim will be directed to you, unless we agree to your request to assign payment directly to a third party.

Paper Claims

- 1) Because we do not return receipts after the claim is processed, we suggest that you keep a photocopy of the receipts that you submit to us. We will send you a remittance statement for your records each time you submit a claim.

- 2) If you have Duplicate coverage, please review the *Coordination of Benefits* section under General Information. 2 separate claim forms (1 for the primary plan and 1 for the secondary plan) must be completed. The remittance statement from the first plan must be submitted to the second plan. Because claims information regarding the other plan is not retained on our files, be sure to provide information on the second plan on both claim forms. Incomplete claims will be returned for clarification.
- 3) Certain medical expenses are covered under the provincial/territorial plans. If you submit your claim to us before you submit your claim to the provincial/territorial plans, we will deduct what the provincial/territorial plans, would normally pay from your EHC claim. The balance of the EHC claim is then paid according to the plan design selected by your employer.
- 4) Accumulate receipts and when reasonable reimbursement is due, submit a claim as follows:
 - a) Obtain a claim form from your Plan Administrator or on our website at www.pac.bluecross.ca/member

However, we must receive your claim by **December 31st** of the calendar year following the year in which the expense being claimed was incurred.
