

2018 HOLIDAY CLOSURE GUIDELINES (FOR CUPE LOCALS 951 and 917 STAFF)

Articles 22.10 (CUPE Local 951) and 22.11 (CUPE Local 917) provide that, *“All regular employees will be granted 3 days leave of absence with pay in addition to all other vacation entitlements, to be taken between Boxing Day and New Year’s Day. Where, due to operational requirements, an employee is required to work between Boxing Day and New Year’s Day, these days will be added to the employees’ annual vacation entitlement.”*

Please review these guidelines which were developed jointly with the two CUPE Locals, and which provide additional information on how the leaves of absence with pay are to be administered. **Please circulate this bulletin to all CUPE 951 and 917 staff in your area of responsibility.**

Working During the Holiday Closure

The University will be closed from Tuesday, December 25, 2018 up to and including Tuesday, January 1, 2019. The University will re-open Wednesday, January 2, 2019. The three days leave of absence with pay are December 27, 28, and 31, 2018. Individuals who may be required to work will be advised by their Supervisor.

Since it is expected that it will be exceptional circumstances that would require an employee to work during the period, the supervisor must obtain approval in advance from the appropriate Dean or Director. Supervisors should advise employees who are required to work as soon as possible. Please notify your Human Resources Consultant, at the time the employee is advised.

Sessional Employees or Employees on Scheduled Layoff

Regular employees on a sessional layoff (or scheduled layoff; e.g.: Food Services) between Boxing Day and New Year’s qualify for three days off in lieu to be scheduled during the following calendar year (at a mutually agreed date). Individuals must be employees during the Holiday Closure period to qualify.

Temporary Employees

Temporary employees with appointments who have commenced employment at least two months prior to and will continue to be employed following the Holiday Closure will receive three days prorated by the number of months worked to the end of the year. (e.g. A temporary appointment for seven months starts September 1, 2018 and ends March 31, 2019. The employee would receive 4/12 paid leave for three days. The additional time during the Holiday Closure could be taken as vacation or made up on a straight time basis during the remainder of the term). Temporary employees without appointments do not qualify for the Holiday Closure time off with pay.

Partial Work Weeks

Employees who work less than five days per week will receive the Holiday Closure days off with pay on a prorated basis (e.g. three days worked each week would entitle an employee to three Holiday Closure days off paid at FTE 0.6). Where it is approved by the Supervisor, employees may make up hours rather than having a payroll adjustment made. Where the Holiday Closure days fall on a scheduled day off, time in lieu may be taken on a prorated basis, at a later date.

Scheduling Time Off in Lieu if Working During Holiday Closure

Employees required to work during part or all of this period will be entitled to up to three days off with pay on a straight time basis as an addition to their annual vacation entitlement. Time off should be scheduled at a mutually agreed time in accordance with the appropriate policy or collective agreement.

Closure Falls on Designated Days Off

Where a Holiday Closure day falls on a scheduled day off, a day off in lieu (at straight time) should be scheduled during the following calendar year at a mutually agreed date.

Pay Cheques

All employees, who have not already done so, are encouraged to arrange the [direct deposit](#) of their pay to their bank through the HRIS/Payroll Office so that they will receive their pay automatically on December 31, 2018. For those who have not made such arrangements, the pay cheques will be distributed on December 24, 2018. These cheques will be **POST DATED** and cannot be cashed prior to December 31, 2018. Attempting to do so could result in the funds being returned and a replacement cheque would not be made available until **after January 7, 2019**.

As December 24 is a regular business day for the University, departments are expected to remain open so that the employees may pick up their cheques prior to pay day. Payroll will not be responsible for the distribution of any returned cheques.

Employees on Leave

Regular employees on unpaid maternity/parental and adoption leave will qualify for three paid days off, which can be scheduled during the following calendar year at a mutually agreed date. Employees on an unpaid personal leave which begins prior to and ends following the Holiday Closure period will not qualify. Employees on paid sick leave during this period will not have their sick leave entitlement reduced.

Employees on Modified or Alternate Work Schedules

Holiday Closure days off with pay will not count as time worked for modified days off (i.e. days are valued at 7 hours (Local 951), or 7.5 hours (Local 917)). Where a Holiday Closure day off with pay falls on a scheduled modified day off, a day in lieu may be scheduled at a later date.

Library employees on an Alternate Work Week schedule should make up the additional ½ or ¾ hour for each of the three Holiday Closure days, in the same manner as for Statutory Holidays (see Library Alternate Work Week Guidelines, paragraph 5).

Hourly Paid, Appointed Employees

Appointed employees paid on an hourly basis will receive three days' time off with pay prorated by the average number of hours worked during the previous 30 calendar days.

Emergency Call Outs during the Holiday Closure

An employee called out for emergency work on one of the Holiday Closure days off will receive the greater of four hours or time worked in addition to regular pay for the day, plus the number of hours actually worked as time off in lieu.

Vacation Records Adjustments for Working during the Closure Period, for Sessional Employees, or When Closure Falls on Designated Day(s) Off

Departments must advise the Benefits Office in writing at leave@uvic.ca of any days to be credited to a bargaining unit employee's annual vacation entitlement by **Friday, January 11, 2019**.
