ARTICLE 1 – PURPOSE

- 1.1 The purpose of this Agreement is to establish an orderly collective bargaining relationship between the University and its employees represented by the Union, so that efficient University operations are maintained, to ensure the harmonious settlement of disputes, and to set forth an Agreement covering rates of pay and other working conditions that will apply to employees within the scope of the bargaining unit.
- 1.2 Both parties agree that in the event that future legislation renders null and void, or materially alters any provision of this Agreement, all other provisions will remain in effect for the term of this Agreement. New provisions to supersede provisions so affected will be renegotiated at the request of either party.

ARTICLE 2 - UNION RECOGNITION

2.1 Union Recognition

The University recognizes the Canadian Union of Public Employees Local 4163 (Component 3) as the sole and exclusive bargaining agent and representative for the Employees of the University of Victoria for whom they have been certified by the Labour Relations Board of British Columbia.

The letter of Understanding on Certification Clarification shall remain in effect until the parties agree to remove it from the collective agreement.

2.2 No other Agreements

No employee will be required or permitted to make a written or verbal agreement with the University or its representatives, which conflicts with the terms of this Collective Agreement.

ARTICLE 3 - UNION DUES AND INFORMATION

3.01 Dues Check-off

The Union, on behalf of all employees within the bargaining unit, authorizes the University to deduct and pay out of the wages and or salary due to the employees, the appropriate initiation fees, union dues and assessments, as established by the Union.

It is understood that dues and assessments will be either a flat dollar amount or a percentage of salary, and that the University will not deduct initiation fees for employees with an existing employee number. Employees hired for the first time in the bargaining unit will be deducted the initiation fee. The deduction methods set out in this article are subject to the Union Constitution.

- 3.1 It is recognized that some employees' deductions may be missed on their first payroll due to payroll deadlines. The University will make every effort to minimize this; however, the University will not be held responsible if some dues are missed in these circumstances. The Union will be provided the required information to recover missed dues directly from employees (see Article 3.03 and 3.06 (c)). The parties agree to monitor the initial implementation of this method and if appropriate to consult on practical alternatives if there are serious problems.

All current employees as of the date of certification (June 1, 1999) will be deemed union members unless they opt out of union membership by written notice to the Union. The employees who opt out of the Union will have an amount equal to dues deducted and remitted to the Union. All new employees will be members of the Union.

3.2 **Notice of Changes**

The Union will inform the University in writing, with a minimum of two (2) months' notice, of any change in the amount of initiation fees, regular dues and assessments to be deducted and the University will deduct at the rate for which it has received most recent notice.

3.3 **Forwarding Dues**

Deductions will be forwarded to the Treasurer of the Union or electronically transferred to the Union's account not later than the 15th of the month following the month for which the deduction was made accompanied by a detailed list of names of all employees in the bargaining unit and their employee numbers, amount of dues deducted and amount of earnings. Where technical problems arise and the University is unable to forward these deductions by the agreed date, the University will provide an interim payment so that the Union can meet the requirements of its Constitution. As soon as possible thereafter, the University will make the necessary adjustments and finalize the dues payment and report noted above.

3.4 **T-4s**

The University will indicate the monthly deduction of dues on each employee's pay notification and will report on the employee's T4 slip the total union dues deducted during the previous year.

3.5 **Indemnification**

The Union will indemnify and save the University harmless from all and any claims which may be made against it by an employee or employees, for amounts deducted from pay as provided in this Article.

3.6 **Information**

[Note: It is understood that where possible, reports in this article will be supplied electronically].

- 3.6 (a) The University agrees to inform all applicants for employment in the bargaining unit (either verbally or on a posting) that the Union represents the Bargaining Unit and that a Collective Agreement is in effect.
- (b) The University agrees to provide the Union, either prior to or by the fifth (5th) week of each academic term, (or upon reasonable request), with a listing alphabetically by department and by classification and student status of the names, home telephone numbers, email and mailing addresses of Bargaining Unit members unless an employee specifically requests otherwise to be excluded from the listing. The University also agrees to make employees aware of the electronic version of the Collective Agreement upon commencement of their employment and provide them with a copy of the Collective Agreement upon request. The cost of printing the Agreement will be shared equally between the University and the Union. The number of copies printed will be determined through mutual agreement of the parties.
- (c) The University will provide the Union no later than the fifteenth (15th) of each month with a report of employees paid by time sheet who have worked in the previous month, indicating name, hours worked, department and whether union dues were paid.
- (d) The Union will provide the University with the name, department, email and telephone number of each Union Steward, Executive Member(s) and of the Union Representative(s) annually, by October 31st, and such changes thereafter as they occur.
- (e) The University will provide the Union with the names, departments, email and telephone numbers of the academic and/or administrative departmental contact for all members of the Bargaining unit by October 31st each year.

ARTICLE 4 - UNION FACILITIES

4.1 Bulletin Boards

The University will provide space on a bulletin board in each Department where members of the bargaining unit are employed and such space will be designated as CUPE 4163 space. The Union will have the exclusive right to use this space to convey information to employees.

4.2 Campus Mail

The University agrees to permit the Union the use of Campus Mail facilities for business pertaining to the Union and in order that all members of the bargaining unit be kept well-informed of Union meetings. All postage for metered mail must be supplied by the Union. For purposes of greater certainty, the University agrees to distribute notification of Union meetings provided by the Union to members of the bargaining unit through Campus Mail.

4.3 Room Bookings

The University will permit the Union to book University rooms for which no charge exists through Non-Academic Bookings for business meetings of the Union at no cost.

ARTICLE 5 - MANAGEMENT RIGHTS

The right to manage operations and to direct employees is retained exclusively by the University except as this Agreement otherwise specifies.

ARTICLE 6 - DISCRIMINATION, HARASSMENT, EMPLOYMENT EQUITY, AND OTHER COMPLAINTS

6.1 Discrimination Defined

- (a) The Parties agree to abide by the Human Rights Code of British Columbia (RSBC 1996, c.210), its spirit, and intent, as it relates to employment of members of the bargaining unit.
- (b) The University and the Union agree that there will be no personal or systemic discrimination, interference, restriction, or coercion exercised or practised with respect to any member of the Bargaining Unit in his/her employment relationship by reason of the following: age, race, colour, ancestry, place of origin, political belief, religion, marital status, family status, physical or mental disability, sex or sexual orientation of the employee, or because that employee has been convicted of a criminal or summary conviction offence that is unrelated to her/his employment, or by reason of any other prohibited grounds contained in the British Columbia Human Rights Act, nor by reason of membership in a trade union. It is understood that “personnel benefit programs” may make actuarial distinctions on the basis of age, and other lawful distinctions by mutual agreement.

6.2 Sexual and Personal Harassment

- (a) The Union and the University recognize the right of bargaining unit members to work and learn in a work environment free from sexual and personal harassment.
 - (i) The University Harassment Policy and Procedures is accessible to all members of the University Community and the Equity and Human Rights Office is available to all employees in the bargaining unit. Nothing in the Harassment Policy and Procedures bars employees from claiming their rights under other procedures whether available at law or under this Collective Agreement.
- (b) The parties agree to the following guidelines in the event of a harassment complaint affecting any employee in the bargaining unit:
 - (i) Complaints of harassment will normally be first dealt with, in the strictest confidence permissible under the law, as an informal complaint under the University Discrimination and Harassment Policy. Article 7.01 or any other procedures acceptable to all concerned may be used instead. Participation in such procedures will be without prejudice to all parties and will not prejudice the rights of employees to invoke the grievance procedure under Article 10. The Equity & Human Rights Office will inform an employee that Union representation is available.
 - (ii) Where an employee wishes to pursue a formal complaint of harassment the Union will process the complaint as a grievance under Article 10 of the Collective

Agreement. As an alternative, the formal complaint process of the University Discrimination and Harassment Policy or any other procedure acceptable to all concerned may be used and by agreeing to such an alternative, all parties agree to waive their right to file a grievance. All employees will be entitled to union representation during the process the parties have decided to use.

(iii) Where an employee is a respondent to a complaint of harassment beyond the informal stage of either the Harassment Policy or another collective agreement, the Union will be advised in confidence of the existence of a complaint affecting the respondent, and the respondent will be referred to the Union for representation throughout any proceedings.

(iv) These guidelines may be modified, as circumstances warrant by written agreement of the parties.

6.3 Employment Equity

The University and the Union acknowledge, recognize and support the employment equity program at the University of Victoria. The Parties agree to co-operate in the identification and removal of systemic barriers, if any, in selection, hiring, training and promotion. It is understood that none of the resulting actions will be at variance with the Collective Agreement unless mutually agreed between the parties.

6.4 Other Complaints

The University and the Union agree to co-operate in a timely manner to resolve complaints of behaviour, including those under Articles 6.01 and 6.02, that involve or affect members of the bargaining unit and have an unreasonably detrimental effect on work performance.

ARTICLE 7 - LABOUR MANAGEMENT RELATIONS

7.1 Labour Management

(a) No employee or group of employees will undertake to represent the Union at meetings with the University without the proper authorization of the Union. Neither will the University meet with any employee or group of employees undertaking to represent the Union without the authorization of the Union. In representing an employee or group of employees, an elected or appointed representative of the Union will speak for the Union.

(b) The Union and the University acknowledge the mutual benefits to be derived from joint consultation and approve the establishment of a Labour/Management Committee (LMC). The Committee will function in an advisory capacity only, making recommendations to the Union and/or the University with respect to its discussions and conclusions, and will not have the power to modify the terms of this Agreement. Such meetings will be held at a mutually agreeable time upon the request of either party.

(i) Meetings will normally be scheduled on a regular, monthly basis. The date, time and location of each meeting will be set at the end of the prior meeting.

- (ii) Agenda items will be exchanged between the LMC Union Co-Chair and the Human Resources representative no later than the day before the meetings.
 - (iii) The LMC will normally consist of three or four and not more than six representatives from each party. Quorum for meetings is four participants, two from each side, unless the parties agree otherwise prior to the meeting.
 - (iv) All discussion will be without prejudice and precedent and there will be no limitation on agenda items.
 - (v) Should the parties agree in the meeting to a "with prejudice" statement or outcome, such agreements will only occur in accordance with the provisions of Article 20 of the collective agreement.
- (c) The Union will have the right at any time to have the assistance of representatives of the Canadian Union of Public Employees or any other advisors to the Union when dealing or negotiating with the University.
 - (d) Representatives of the Union will have the right to attend meetings between the University and the Union held within working hours without loss of pay.

7.2 Collective Bargaining

- (a) For the purposes of negotiations the Union Bargaining Committee will be made up of not more than eight (8) members. The University will provide up to five (5) members of the Union Bargaining Committee release time from their normal duties without loss of pay, when they are required for negotiations. An additional two Union Committee members may be released without loss of pay at the Union's request, and the University will invoice the Union for the salary cost of the additional two Union Committee members.
- (b) Inclusive of the eight (8) members in Article 7.02 (a), the Union will have the right to be assisted by a representative of the Canadian Union of Public Employees.
- (c) The Parties will schedule bargaining sessions to minimize operational impacts.

ARTICLE 8 – DISCIPLINE

8.1 Just Cause

No employee will be disciplined or discharged without just cause. In all cases of discipline and/or dismissal, the University bears the burden of proving just cause.

8.2 Progressive Discipline

Except in cases of gross misconduct, or serious insubordination, the principles of progressive discipline will be applied when performance is unsatisfactory. This will normally include a verbal warning, a written warning, and suspension prior to discharge. At each stage prior to discharge, the supervisor or administrative head will explain the performance deficiency in detail, outline the standards of performance that are expected,

and warn the employee that failure to improve performance will result in further disciplinary action.

8.3 Union Representation

- (a) Except in cases of gross misconduct, or serious insubordination, there will be no decision to discipline an employee until the cause for discipline has been discussed with the employee by the Department Chair (or designate). An employee and the Union will be given at least twenty-four (24) hours' notice of any meeting which may result in discipline beyond a verbal warning. The employee will be advised that he/she has the right to be accompanied by a Union representative. A Union representative will be present at all disciplinary meetings except in a case of gross misconduct or serious insubordination where immediate action is warranted, or in a case where the Union notifies the University that the employee has decided not to be represented by the Union.
- (b) In the event of gross misconduct, or serious insubordination the requirement for twenty-four (24) hours' notice may be waived. The supervisor will make a reasonable effort to have a Union representative present at any initial meeting, and in accordance with Article 8.03 (a), a Union representative will be present at all subsequent disciplinary meetings.
- (c) Where an on-campus meeting is not practical because of the employee's work site, the parties agree that such a meeting could be conducted through other media such as teleconference or videoconference. Agreement will be by mutual consent, but will not be unreasonably withheld.

8.4 Disciplinary Records

- (a) Any disciplinary action taken beyond a verbal warning will be documented and form part of the employee's personnel record maintained in the Department and at Human Resources. This written record of discipline will be provided to the employee within three (3) working days of the meeting at which the employee is informed of the reasons for discipline, and will be copied to Human Resources and the Union. The employee may also respond in writing, and this response will also be filed in the employee's personnel record.
- (b) An employee may request in writing that any formal written record of discipline issued in accordance with Article 8 be removed from the employee's Department and Human Resources personnel file after eighteen (18) months worked (or in the case of an employee registered in a full-time academic degree program, three academic terms worked), provided no other disciplinary offence was committed during that period that resulted in a written record of discipline, unless the original offence was of such a serious nature as to warrant a lengthy suspension [more than five (5) days]. In the latter case, the request would be considered on its merits and, if denied, may be resubmitted annually.

ARTICLE 9 - ACADEMIC FREEDOM AND RESPONSIBILITY

- (a) In the teaching and marking of a course, employees shall be accorded academic freedom to present that course, without institutional reprisal, insofar as the employee:
 - (i) Operates with the understanding that the right to academic freedom carries with it the obligation to use the freedom in a responsible way, with due regard to the rights of others.
 - (ii) Abides by course design, content and method of delivery as determined by the academic unit. The academic unit reserves the right to require that certain teaching materials are used.
 - (iii) Acknowledges that academic freedom does not confer legal immunity nor does it diminish the obligation of the employee to meet the duties, responsibilities, and standards of the teaching assignment.
- (b) It is recognized that the University is not required to support original research of employees and that employees are not expected to participate in original research to maintain their work at the University. Employees may claim University affiliation for original research provided it is done so in conformity with departmental guidelines and University policy. Representatives of the Union shall be involved in any process that alters or creates policies that affect this article of the Collective Agreement.
- (c) Notwithstanding the University's right to make reappointment decisions consistent with the terms of the collective agreement, employees who investigate, publish, and theorize within their area(s) of academic expertise recognized by the University, may do so free from institutional reprisal in such decisions.

ARTICLE 10 - COMPLAINTS AND GRIEVANCES

10.1 Definition of a Grievance

A grievance will be defined as any difference or dispute arising between the parties to this Agreement concerning the interpretation, application, administration, operation, or alleged violation of this Agreement.

10.2 Union May Institute Grievance

The Union and its representatives will have the right to originate a grievance on behalf of an employee, or group of employees, and to seek resolution with the University in the manner provided in the Grievance Procedure.

10.3 Policy Grievance

Where a dispute involving a question of general application or interpretation occurs, or where a group of employees or the Union or the University has a grievance, such dispute or grievance will be initiated at Step II.

10.4 Recognition of Union Stewards, Representatives and Grievance Committee

In order to provide an orderly and speedy procedure for the settling of grievances or potential grievances, the University acknowledges the role of Union Stewards,

Representatives and the Union Grievance Committee in the grievance process. The Stewards will assist any employee represented by the Union in preparing and presenting his/her grievance in accordance with the grievance procedure.

10.5 Carrying out Duties

The University agrees that Stewards will be given reasonable freedom of action in investigating grievances or potential grievances and discussing resolutions. It is agreed that no Union official or Steward will leave his/her work without first obtaining permission from his/her Supervisor, which will not be unreasonably withheld. Every reasonable effort will be made to schedule the meetings required under this Grievance Procedure at mutually agreed times which do not conflict with scheduled work assignments. When this is not possible, an employee, whether as a Grievor, witness, or Union representative who is required to be absent from work will suffer no loss of pay and benefits to which he/she would otherwise be entitled as a bargaining unit employee.

10.6 Grievance Procedure

The supervisor and employee are encouraged to resolve complaints informally. An employee should initiate discussion with their supervisor within ten (10) working days of the employee becoming aware of the occurrence or recurrence of the event giving rise to the issue. The supervisor or employee may request assistance from others, including Human Resources and the Union. Any informal resolution of a complaint will be without prejudice or precedent with respect to the interpretation or application of the Collective Agreement. Failing settlement of the complaint, it may be taken up as a grievance by the Union according to the following procedure:

Step I

- (a) Where a complaint is not resolved informally within five (5) days after an informal attempt has been initiated, and the employee decides to grieve, the employee will immediately submit the complaint to the Union. If the Union decides to proceed with a grievance, the grievance will be stated in writing and will be submitted to the Department Chair (or equivalent) with a copy to the Supervisor and Human Resources within five (5) working days of receipt of the employee's complaint. The written grievance will provide:
 - (i) A description of the grievance and the incident(s) from which grievance arose.
 - (ii) The suggested remedy.
- (b) The Department Chair (or equivalent) will meet with the employee within five (5) working days. The employee may be accompanied by his/her Steward or another Union representative. The Department Chair may be accompanied by another representative of the University.
- (c) After receipt of a written grievance, the Department Chair will have a maximum of five (5) working days in which to present a written reply (via Human Resources) to the Union with a copy to the Grievor(s). Failing settlement, the grievance will proceed to the next step within a maximum of five (5) working days of the Department Chair's reply.

Step II

(a) Step II will commence upon written notice from the Union to the Department of Human Resources. The University Representatives and the Union Grievance Committee will then have ten (10) working days in which to meet and attempt to resolve the grievance. If the grievance is resolved, a memorandum will be made of the agreement reached and signed by the representatives of each party, and a copy will be made for each party. If the grievance cannot be resolved, either party will, not later than five (5) working days following the ten (10) working day time limit, signify in writing to the other party its intention to invoke the arbitration procedure as set out in Article 11.

10.7 Time Limits

For any particular grievance, the time limits provided in the Grievance Procedure may be extended by mutual consent of both parties. Such consent will not be unreasonably withheld.

10.8 Employees May be Present

Where required by the Union, the Grievor(s) will be permitted time off without loss of pay and benefits to attend to the resolution of a grievance and may take part at any step in the grievance procedure. The parties will inform each other of who will be present at any grievance meeting.

Where an on-campus meeting is not practical because of the employee's work site, the parties agree that such a meeting could be conducted through other media such as teleconference or videoconference. Agreement will be by mutual consent, but will not be unreasonably withheld.

10.9 Priorities

Any grievance involving harassment, suspension or dismissal may be initiated at Step II, at the discretion of the Union. A grievance involving health and safety may also be initiated at Step II.

10.10 Location of Grievance Meetings

The University will provide an appropriate room for grievance meetings.

10.11 Technical Objections to Grievance

No grievance will be defeated or denied by any minor technical objection.

ARTICLE 11 – ARBITRATION

11.1 Composition of Board of Arbitration

A single arbitrator will be appointed by mutual agreement of the Parties. In the alternative, and upon mutual agreement, the parties may decide upon an arbitration board and in such case each party will notify the other party of its nominee. The parties nominees shall then agree on the chair of the arbitration board.

11.2 Failure to Appoint

Should the Parties fail to agree on an Arbitrator, or if the two nominees fail to agree upon a chair of the arbitration board, either party may request the Minister of Labour of the Province of British Columbia to appoint one.

11.3 Decision of the Arbitrator

Where the parties mutually agree, they may request an oral decision immediately following the hearing with written reasons to follow. The decision of the Arbitrator will be final, binding, and enforceable on all parties. The Arbitrator will not have the power to change this Agreement or alter, modify or amend any of its provisions.

11.4 Disagreement on Decision

Should the parties disagree as to the meaning of the Arbitrator's decision, either party may apply to the Arbitrator for a clarification of the decision, which will be done as expeditiously as practical.

11.5 Expenses of the Arbitrator

The expenses and compensation of the Arbitrator will be shared equally between the parties.

11.6 Amending of Time Limits

Whenever a stipulated time is mentioned in the procedure above, it may be extended by mutual consent of the parties. Technical errors or omissions that are not relevant to the substance of the grievance will not be grounds for an objection.

11.7 Witnesses

When the University requires an employee to attend a hearing or review process the employee will be entitled to attend without loss of pay. When such a hearing or review process occurs outside the employee's normal working hours, pay and benefits will be as per the Collective Agreement. When the employee requests a Union representative, the representative will be able to attend the hearing or review process without loss of pay, and where such a hearing or review process occurs outside the Union representative's normal working hours the representative will be entitled to straight time off in lieu or, where this is not possible, will be paid the hours at straight time.

ARTICLE 12 - PICKET LINES

12.1 Right to Refuse

The University agrees that no employee will be subject to discipline or dismissal for refusing to cross a lawful picket line within the meaning of the Labour Code of British Columbia (RSBC 1996 c.244). However, if such refusal results in the employee not being

able to perform the employee's duties, he/she may immediately be taken off the payroll until once again able to perform the normal duties of the position.

12.2 Work of Employees on Strike or Locked Out

The University agrees that it will not request, require, or direct employees covered by the collective agreement to perform work resulting from lawful strikes or lock-outs that would normally have been carried out by those employees on strike or locked out.

ARTICLE 13 - EXPRESSIONS OF INTEREST, APPOINTMENT PROCEDURES

For the purposes of this article:

"administrator" will mean the academic unit chair, director, dean or designate.

"assignment year" means the period from May 1st to April 30th.

13.1 Expressions of Interest

- (a) The administrator annually determines the teaching assignments that may be available for Sessional Lecturers under this Collective Agreement. The administrator then makes teaching assignments to Continuing Sessional Lecturers, graduate students and postdoctoral fellows (reference Article 24.06). In making assignments to Continuing Sessional Lecturers the administrator:
 - (i) takes into account what the Continuing Sessional Lecturer has previously taught satisfactorily
 - (ii) takes reasonable steps to offer to the Continuing Sessional Lecturer, over the course of the assignment year, his or her academic unit allocation calculated under the terms of the agreement.
- 13.1 (b) After making the determinations in (a) the administrator may directly appoint a Term Sessional Lecturer to the courses(s) they have satisfactorily taught at least once a year in three (3) of the last four (4) years or post those teaching assignments. The administrator will ensure that the decision to post is not arbitrary, discriminatory or made in bad faith. If the Term Sessional Lecturer has satisfactorily taught a course at least once a year in three (3) of the last four (4) years and is not directly appointed to the course, the Administrator will advise them in writing of the reason for this decision.
- (c) The posting will include:
 - (i) a request for expressions of interest for sessional assignments.
 - (ii) identification of the appointments as within the CUPE 4163 (Component 3) Sessional Lecturers certification.
 - (iii) identification of the courses and/or sections that may be available.
 - (iv) specification of the anticipated date by which employment decisions will be made.
 - (v) a statement that the University is an equity employer and encourages diversification, and
 - (vi) a statement that the University reserves the right to fill additional teaching assignments from the pool of applicants for this posting.

- (d) The posting may indicate that positions are subject to funding and or enrolment criteria.
- (e) Normally, the stated deadline for expressing interest in a sessional assignment will be two to four weeks from the date of posting. Under no circumstances shall the posting period be for less than two weeks.
- (f) All expressions of interest must be submitted in writing to the unit administrator in accordance with the requirements as stated in the posting.
- (g) Continuing Sessional Lecturers may submit expressions of interest, and these will be considered with the expressions of interest from other qualified applicants. Any work given to a Continuing employee through the posting provisions does not increase the obligation noted in (a) above.
- (h) The academic unit will confirm appointments wherever possible at least three (3) months prior to commencement of the academic term.

13.2 **Assignment Procedures**

- (a) Each unit's assignment selection criteria will include the qualifications and ability of the candidate(s) based on relevant education and professional experience and teaching effectiveness.
- (b) The unit administrator will be responsible for selection decisions. He or she will ensure selection decisions are consistent with the criteria set out above, and will ensure these decisions are not arbitrary, discriminatory, or in bad faith. Once the unit administrator makes the selection decision, she or he shall provide the appointed Sessional Lecturer with the course schedule.
- (c) Employees who have previously taught the same or substantially similar course(s) for which they have submitted expressions of interest and are not re-assigned to teach that course may request an interview with the administrator to discuss the appointment decision. Employees shall have the right to be accompanied by a Union representative.

13.3 **Emergent Needs**

When additional teaching assignments become available after the original posting then these positions may be filled without a posting. When the unit fills these assignments, the provisions of Article 13.02 will be applied and the unit administrator will consider Sessional Lecturers who have previously taught the course(s), or have submitted an expression of interest for this or similar courses in response to the most recent posting.

13.4 **Course Cancellation**

When a course is cancelled within four (4) weeks before the first scheduled class for the fall and spring terms and two (2) weeks for summer semester courses, the sessional lecturer or music performance instructor shall be paid \$500.00 (to be pro-rated for music performance instructors). When a course is cancelled after the first scheduled class, and no replacement course work is offered, then the sessional lecturer or music performance

instructor shall be paid \$1000.00 (to be pro-rated for music performance instructors) in addition to payment for work already performed.

ARTICLE 14 - TEACHING AND MARKING PRACTICES

As part of their appointment all Sessional Lecturers are required to maintain currency in the teaching and marking practices of the courses they are assigned to teach in the academic unit.

ARTICLE 15 - ORGANIZATIONAL CHANGE

- (a) If the University introduces or intends to introduce a measure, policy, practice or change that affects the terms, conditions, or security of employment of a significant number of employees to whom a collective agreement applies, the University agrees to give the Union sixty (60) days written notice prior to the measure, policy and/or practice taking effect.

During the notice period the University will consult with Union Representatives through the Labour/Management Committee with the intention of developing a strategy to allow the Sessional Lecturer to complete their current appointment in the term in which notice is served.

(b) Change Which Affects a Small Number of Employees

Where individual departments implement changes in their instruction, marking or other assignments between faculty, professional staff and CUPE 4163 positions, or reorganize programs or courses so that fewer employees are required, every effort will be made to implement the change after the end of the term of employment of the affected employee(s) and to notify the Union as early as practical in advance so that the parties may discuss how to minimize the impact of those changes on these employees.

ARTICLE 16 - HOLIDAYS AND BENEFITS

16.1 Statutory Holidays

- (a) No employee will be required to work on any of the following holidays, nor on any other day proclaimed as a general holiday by the Government of Canada or by the Government of British Columbia:

New Year's Day	BC Day
Family Day	Labour Day
Good Friday	Thanksgiving Day
Easter Monday	Remembrance Day

- (b) Employees may request time off for religious observance for a day which is not provided by statute, and the University will take reasonable measures to accommodate such requests in accordance with University Policy 1525 on Accommodation for Employees on Days for Religious Observance.

16.2 Personnel Benefits

The Component 3 benefit plan will be changed to include Vision care of \$500 every two (2) years including laser eye surgery and eye exams.

a) Continuing Sessional Lecturer Eligibility:

All Continuing Sessional Lecturers are eligible for and will participate in the Medical Services Plan, Extended Health Benefits, the Dental Plan, the Money Purchase Pension Plan and Basic Group Life Insurance until their employment ceases due to resignation, retirement, termination for just cause, upon layoff and severance resulting in their university allocation falling below 7.5 units, or upon not meeting qualifying criteria when continuing status is reviewed per Article 24.01

b) Term Sessional Lecturer Qualifying Period

The Qualifying Period to determine eligibility for benefits consists of one (1) to three (3) terms from the beginning of a Summer Session to the end of the subsequent Winter Session (fall and spring terms).

c) Term Sessional Lecturer Eligibility Period

A Term Sessional Lecturer whose teaching load in a qualifying period is, or is revised to be, at least 7.5 units, is eligible to participate in each of the benefit plans listed below for the Winter Session (fall and spring terms) noted above and the subsequent Summer Session, subject to any additional requirements as noted. Eligibility for benefits is reassessed each September.

d) Participation

Sessional Lecturer participation for all benefits, including Pension Plan, is subject to the provision that Sessional Lecturers cannot participate before the start of their appointment and eligibility. Those whose approved Recommendation for Appointment form and Application to Participate are received by Human Resources by the fifteenth of the month will participate from the start of that month; otherwise, they will participate from the first of the next month.

Term Sessional Lecturers who voluntarily choose to participate in the benefit plans must do so at the time of eligibility. Once application for participation is made and approved, with the exception of the Pension Plan, Sessional Lecturers must maintain coverage through the entire eligibility period as noted above.

e) Once Enrolled

Sessional Lecturers' once enrolled, who do not hold an appointment during some or all of the Eligibility Period or whose teaching load falls below 7.5 units due to illness or injury may elect to continue enrolment through to the end of the Assignment Year and provide the University with payment of their own and the University's share for such period through either arrangement with Payroll to have such deducted from their pay, or final pay cheque from the preceding term (if applicable) or by provision of postdated personal cheques. Sessional Lecturers who choose not to enroll once eligible or who do not provide advance payment during the Summer Session or during a period of non-appointment will be considered to have opted out of all the relevant benefit plans except the Pension Plan, and will not be eligible to participate during the two subsequent years (i.e. two full Eligibility Periods).

All benefit premium costs for eligible summer session, except Pension Plan, will be paid in advance by eligible Sessional Lecturers through postdated cheques. The University's portion of the benefit premiums for the Summer Session, if applicable, will be paid retroactively, on completion of the Sessional Lecturers' summer session appointment(s).

Exceptions to this are for those who qualify and enroll for Pension Plan benefits in the Eligibility Period noted above, and when a Sessional Lecturer is scheduled to teach a 'K' section course in which cases benefits may be maintained on the normal cost sharing basis without the need for prepayment and retroactive adjustments.

f) Medical Services Plan, Extended Health Benefits and Dental Plan

The premiums for the Medical Services Plan, Extended Health Benefits and Dental Plan depend on the extent of coverage (single, couple, or family). Premiums are set by the plan administrators. Premiums are paid seventy-five percent (75%) by the University and twenty-five percent (25%) by the Sessional Lecturer. Participation in the Medical Services Plan is also subject to the eligibility rules of that plan.

g) Money Purchase Pension Plan

Participation in the Money Purchase Pension Plan is subject to provisions of the Income Tax Act. Those who are already pensioners under the plan are not eligible to contribute. Participation in the Group Life Insurance is limited to active employees up to the earlier of their retirement date, or December 31st of the year in which the employee attains age seventy- one (71).

Participation in the Money Purchase Pension Plan is also subject to having completed an appointment to teach at least 7.5 units in a period of one to three terms (summer session and subsequent fall and spring) within the previous three years.

h) Group Life Insurance (Basic and Optional)

Participation in the Optional Group Life Insurance plan is subject to evidence of insurability. Optional coverage is available only after enrolment in the Basic Life Insurance Plan.

Sessional Lecturers pay the full premium for any optional coverage elected. During the term(s) in which a Sessional Lecturer holds an eligible appointment(s), the University pays the premium for the basic coverage, which provides a death benefit equal to 1.5 times (1.0 times from age 65 to end of participation) the insured earnings in the twelve months immediately preceding death. If Sessional Lecturers elect to extend the coverage beyond the appointment period, then the death benefit for the basic coverage in the extended period will be calculated as 1.5 times (1.0 times from age 65 to end of participation) the insured earnings in the twelve months immediately preceding death.

i) Long Term Disability

The University provides a Long Term Disability (LTD) Plan at a maximum cost of 3.08% of basic salary.

In the event the LTD Plan benefits need to be altered in order to contain costs, the University will provide two (2) months' notice to CUPE Local 4163, and will consult with CUPE Local 4163 through the President of CUPE Local 4163. All Continuing Sessional Lecturers who are eligible under the terms of the LTD Plan will, as condition of employment, participate in the plan the first day of the month coinciding with or following the appointment to a continuing sessional position.

For further information about the LTD Plan, reference should be made to the Benefits Handbook available from the Human Resources Department.

j) Application of Premiums

During term(s) in which a Sessional Lecturer holds an eligible appointment(s), that Sessional Lecturer's twenty-five percent contribution to the total costs of the Medical Services Plan, Extended Health Plan, and Dental Plan will be applied firstly towards the total premium cost of the Medical Services Plan in order that the premium costs are shared in such a way as to minimize the tax liability of the employee.

16.3 Professional Development Expense Accounts

The University shall inform Continuing Sessional Lecturers of their rights and obligations under the University's policy for Professional Development and the Central Pro-D fund. The University agrees that the policy will not be changed without consultation with the Union. The Union and the University will periodically review the guidelines and/or consider

suggestions of the Joint Committee, and will make recommendations to the University to revise the guidelines covering the administration of the Central Pro-D fund.

ARTICLE 17 – LEAVE

17.1 Sick Leave

Sessional Lecturers will be given the option, by the unit administrator, of substituting teaching assignments with a qualified instructor or making up the time where practical, so as to maintain salary when unable to attend work, on a short term basis, due to illness or injury.

When this is not possible, the University will continue its practice of continuing pay for a short-term illness as determined by the unit's budget for providing relief staff, and by the number and length of absences in a unit. It is understood that unit administrators must therefore exercise some discretion in administering the above practice.

The University and the Union agree that this practice will continue for the duration of the Collective Agreement.

17.2 Union Leaves

(a) Short-term occasional Leaves

The parties recognize that from time to time a sessional lecturer may have to be released from regular duties to attend a union activity. Short-term occasional leaves will be granted provided the unit administrator:

- (i) receives timely notification
- (ii) is satisfied that the sessional lecturer has put arrangements in place that will ensure the absence will not have a negative effect on the adequacy of the learning experience or reduce the effectiveness of a probationary or qualifying period. When a qualified replacement is required, the Union will reimburse the unit for all of the replacement costs (salary and benefits).

(b) Extended Leaves

Where the nature of the leave is such that it is sufficiently frequent or extensive that the sessional lecturer requires a release from a teaching assignment the Union will:

- (i) provide a minimum of sixty (60) days notice to the unit administrator with a copy to Human Resources,
- 17.2 (b)(ii) ensure that the leave request will be for a minimum of one complete teaching assignment (for example, one section of a course for one term) and in additional increments of not less than one complete assignment.

On receipt of the leave request, the unit administrator will take reasonable steps to find a suitable replacement. This may require that the vacancy be filled without posting. Where a qualified replacement is found, the Union will reimburse the unit for all of the replacement costs incurred (salary and benefits). The sessional lecturer replacing the sessional lecturer on leave shall be entitled to salary and benefits as provided for in this agreement.

The University will provide, only to the sessional lecturer on leave, the benefits of Articles 13, 16 and 23 (salary, benefits, job security and status) under this agreement as if he or she had completed the teaching assignment(s). In no case shall the union leave provide an additional salary or benefit improvement under this agreement other than what that sessional lecturer would have accrued if he or she had taught the assignment(s). The granting of an extended leave should not act to so as to reduce a probationary or qualifying period.

17.3 Leave for Court Appearances

- (a) Employees who are required by law to serve as jurors or witnesses in any court will be granted leave of absence without loss of pay for this purpose. The employee concerned will deposit with the University any pay rendered for such service, other than expenses, and will render an accounting of amounts received together with proof of service.

Pregnancy Leave

- (c) Employees who have given birth to a child are entitled to 17 consecutive weeks of pregnancy leave without pay.
- (d) Further pregnancy leave without pay, of up to 6 consecutive weeks, will be granted where the employee is unable to return to work for reasons related to the birth, as certified by a medical practitioner.

- (b) Applications for further leave without pay, special leave or sick leave, prior to or after the maternity or parental leave periods identified above, may be made in accordance with Article 17 as appropriate.
- (c) Employees who return to work from a period of maternity or parental leave will be returned to their original position without loss of rights or benefits. Where it is not possible to return an employee to their original position, following consultation with the Union, the employee will be placed in a comparable position without loss of rights or benefits.
- (d) Supplementary Benefits will be paid when eligible employees provide proof that they are receiving Employment Insurance maternity or parental benefits or that they are disqualified from receiving or continuing to receive such benefits either because they have worked an insufficient number of insurable weeks, or because such benefits have been exhausted, or because they are now in the waiting period for such benefits.
- (e) Such proof will not be made available by Employment Insurance until after the leave has commenced and hence the Supplementary Benefit payments will be retroactive.
- 17.6 (f) Should the level of Employment Insurance maternity and parental benefits be reduced from the level of such benefits in effect as at April 1, 1995, the Supplementary Benefit paid to an employee under Article 17.05 will be reduced accordingly.

ARTICLE 24 - CONTINUING SESSIONAL LECTURERS

24.1 Definitions

(a) Continuing Sessional Lecturer Status

- (i) Excepting appointments of Graduate Students under Article 13.01 (a), a Sessional Lecturer who was appointed to teach a minimum of 7.5 units in at least three of the last five assignment years as per Article 24.02 (a) and who has not retired will be designated as a Continuing Sessional Lecturer.
- (ii) All Continuing Sessional Lecturers are so designated for the term of this Collective Agreement or until their employment ceases due to resignation, retirement, termination for just cause, or upon layoff and severance resulting in University Allocation falling below 7.5 units.

(b) Assignment Year and Term

An assignment year is calculated from May 1 to April 30 of the following calendar year, and consists of three terms; the Summer session (May 1 to August 31), Fall term (September 1 – December 31) and the Spring term (January 1 to April 30) and subject to University Calendar change.

- (c) Administrator
An administrator is the unit chair, director, dean, or designate.
- (d) Unit Allocation
The average number of units taught by an individual within an academic unit over the four assignment years ending with the year of calculation.
- (e) University Allocation
The sum total of a Continuing Sessional Lecturer's unit allocations across the University.

24.2 Calculating and Establishing Unit Allocations for Continuing Sessional Lecturers

- (a) Unit and University Allocations for Continuing Sessionals shall be calculated bi-annually. In calculating the average number of units, the average will be rounded to the lower 1.5 unit increment. In calculating the average number of units, when the number of units taught in the most recent of the four (4) assignment years referred to in Article 24.01 (d) is higher than the average, the average will be rounded to the nearest 1.5 units. If the average number of units is equidistant between two 1.5 unit increments the average will be rounded up if the number of units taught in the most recent of the four (4) assignment years referred to in Article 24.01 (d) is higher than the average.
- (b) When a Continuing Sessional Lecturer has taught in more than one (1) academic unit, there will be a separate calculation for each academic unit and the Continuing Sessional Lecturer will have recall rights as specified for each unit.
- (c) Once the unit allocation and university allocation is calculated and established, these allocations will remain fixed until the next recalculation which will be done by February 15 or a date established by mutual agreement for the upcoming assignment year or except as reduced in accordance with the recall provisions of Article 24.04.

24.3 Establishing Recall Rights

- (a) Upon agreement of the unit administrator(s) and the Continuing Sessional Lecturer on a list of those courses and substantially similar courses that the Continuing Sessional Lecturer has satisfactorily taught at the University of Victoria within the five assignment years immediately prior to the commencement of this Collective Agreement, such list will constitute the courses to which the Continuing Sessional Lecturer will have recall rights as specified below.
- (b) In order that the list remain current, any courses satisfactorily taught at the University of Victoria since inception of a list will be added; likewise any courses not taught in the past five years will be deleted. The list should be updated in January. However, if this does not occur, the absence of additions or deletions of courses to the list, in of itself, will not be prejudicial to either the Continuing Sessional Lecturer or the applicable unit administrator.

24.4 Recall Rights

- (a) When it is not possible to appoint all the Continuing Sessional Lecturers in an academic unit to their academic unit allocation, the administrator will have as his or her primary consideration the teaching effectiveness and quality of program offered by the unit. After satisfying this primary consideration, the administrator will allocate work according to the unit seniority of the Continuing Sessional Lecturers.
 - (b) Unit seniority, for the purposes of determining the lay-off and recall rights of Continuing Sessional Lecturers, will be calculated by giving the Continuing Sessional Lecturer credit of one (1) year of seniority in an academic unit for each year that s/he has taught in the academic unit and has taught a minimum of seven and one-half (7.5) units across the University during the year.
 - (c) After following these steps, if the administrator determines that he or she will be unable to offer the Continuing Sessional Lecturer his or her unit allocation during the assignment year then notice of lay-off will be served by September 1 of the current assignment year (with a copy to be provided to the Union via the University).
 - (d) The Continuing Sessional Lecturer will immediately have recall rights that will apply before appointments are made under Article 13.02 and/or 13.03 to courses he or she has satisfactorily taught within any academic unit in which a reduction has occurred, to the limit of the calculated unit allocation, for five consecutive terms beginning September 1 of the current assignment year.
 - (e) Any teaching assignment a Continuing Sessional Lecturer acquires through Articles 13.02 and 13.03, in a unit other than that from which they have received layoff notice, shall not extinguish his/her recall rights under Article 13.01.
 - (f) When, as a result of taking action to mitigate a reduction in his or her unit allocation a Continuing Sessional Lecturer with recall rights acquires additional assignments in another unit equivalent to his/her university allocation, he or she shall not be penalized for refusing a recall.
- 24.4 (g) Should the recall period expire, and should the Continuing Sessional Lecturer not be appointed to his or her unit allocation, then the Continuing Sessional Lecturer's unit allocations shall be reduced to the number of units the Continuing Sessional Lecturer taught in the most recent assignment year, but in no case will this exceed the original unit allocation. Should the total number of units taught drop below seven and one-half (7.5) then the Sessional Lecturer may select one of the following two options within 7 calendar days of the end of the recall period by providing written notice to the University (with a copy to be provided to the Union via the University):
1. The designation and rights of Continuing Sessional Lecturer status terminate at the end of the recall period.
 2. The Sessional Lecturer may remain on the Continuing Sessional Lecturer list and the Unit Allocation will be established as the number of units taught in the most recent assignment year.

Failure to provide written notice of a decision within 7 calendar days will constitute selection of option number 1 above.

- (h) In the case of Continuing Sessional Lecturers with Unit Allocations in more than one department, the unit allocation will be reduced in a department(s) only if, in the most recent assignment year, the Continuing Sessional Lecturer teaches fewer units than

her/his university allocation. The total reduction in unit allocation will be no more than the difference between the number of units taught and the university allocation.

- (i) Where a Continuing Sessional Lecturer in Article 24.04 (h) teaches fewer units than his/her university allocation, and where one or more of the Continuing Sessional Lecturer's unit allocations is to be reduced, the reduction(s) will be in the department(s) where the number of units taught is fewer than the Continuing Sessional Lecturer's unit allocation.

24.5 Severance Pay

(a) Qualifying Continuing Sessional Lecturer Eligibility for Severance

A Continuing Sessional Lecturer whose university allocation is 7.5 or more units and who is assigned fewer than her/his unit allocation for the assignment year, qualifies for severance pay if s/he either:

- (i) has completed the recall period, and has not been reassigned the calculated unit allocation, and has submitted expressions of interest for assignments she or he is qualified to teach during the recall period, or
- (ii) by way of written notice to the University within thirty (30) days of notice of lay-off chooses to relinquish the designation and rights of a Continuing Sessional Lecturer.

(b) Term Sessional Lecturer Eligibility for Severance

A Term Sessional Lecturer who has satisfactorily taught the same course at least once a year for the last 5 years qualifies for severance if they were not directly appointed under 13.01 (b), have submitted expressions of interest for assignments they were qualified to teach pursuant to 13.01 (c), were not the successful applicant and were not provided by the administrator with an equivalent number of units to teach.

(c) Severance Pay Calculation

- (i) Severance Pay for Continuing Sessional Lecturers will be calculated at one week for each year of service for a maximum of five years prior to April 30, 2000, and two weeks for each year of subsequent service to a maximum of 17 weeks, times the difference between the Unit Allocation and the appointed unit value during the assignment year.
- (ii) Severance Pay for Term Sessional Lecturers will be 5 weeks times the unit value of the course(s) to which they were not directly appointed.

24.6 Graduate Students and Postdoctoral Fellows

(a) The parties agree that both graduate student teaching experience and job security of Continuing Sessional Lecturers are important. With this in mind, the University will provide four (4) months' notice to the Union when it anticipates a reduction of course offerings in that unit to Continuing Sessional Lecturer due to:

- (i) an increase in the historical proportion of graduate students and postdoctoral fellows, or
- (ii) the introduction of a new graduate program. The University commits that such change will be done in a manner that gives due consideration to the job security of

Continuing Sessional Lecturers and that such change will not be made solely for the reason of any wage differential which may exist between Continuing Sessionals and Graduate and Postdoctoral Fellows.

- (b) Postdoctoral Fellows will not be given priority assignment over Continuing Sessionals for more than three (3) units per year, but may be assigned additional units prior to posting of positions under article 13.01 (b).

ARTICLE 25 – TERM OF AGREEMENT

This Agreement will be binding and remain in full force from May 1, 2014 to April 30, 2019, and will continue in force for that period of time required by any applicable Statute of the Province of British Columbia governing collective bargaining.

Certification Clarification

Originally Signed Dec. 20, 2000

Sessional Appointments – Adjunct Assistant Professor

It is recognized that under the existing bargaining unit certification a person with adjunct assistant professor status becomes a member of the bargaining unit when they receive a sessional appointment, unless otherwise excluded under the terms of the certification.

Sessional Appointments – Adjunct Associate and Professor

In keeping with the intention of the bargaining unit certification the parties have agreed that, except as otherwise precluded by the certification order, where a sessional appointment is accepted by a person who holds adjunct associate or professor status they shall also become members of the bargaining unit for the purposes of the sessional appointment.

Where a person with adjunct associate or full professor status accepts a sessional appointment such that they become members of the bargaining unit, they shall be paid at minimum the appropriate placement on the salary grid in Schedule 1.

Special Cases

The University may continue to make Adjunct Assistant, Associate, and Professor appointments in special cases outside of the bargaining unit consistent with the University's past practice. The University will provide the union a list of these appointments at the commencement of each semester.

LETTER OF UNDERSTANDING #2

This agreement is dependent on technical feasibility and on the assumption that there will be no additional administrative or programming costs incurred to produce this supplementary information.

LETTER OF UNDERSTANDING #3

Preamble:

The parties are agreed to re-purpose the monies that had been allocated to the HCSA. These funds will be used to provide for changes to Articles 13.04 (Course Cancellation), 16.02 (Vision Care), 23.02 (Stipends), 24.05 (Severance) and the balance will be used to create a Professional Development fund for term Sessional Lecturers.

- The annual amount allocated to the above is 0.25% of the 2007 Component 3 “big base”. This amount is \$24,000 per year.
- The aggregate value of the improvements to Articles 13.04, 16.02, 23.02 and 24.05 per the above will be \$11,200.00
- The remaining \$12,800.00 will be put into the Professional Development fund.

Purpose of the Professional Development Fund:

Support will be given for participation in academic conferences, academic institutes, professional courses, workshops or seminars related to the scholarship of teaching and learning in higher education. Support for other activities related to the purpose of the fund will also be considered.

Successful applicants are encouraged to share their knowledge gained through professional development with colleagues at the department or faculty level, or more broadly, for example, through the Learning and Teaching Centre.

Eligible Expenses include:

Unit Allocation and Absence Due to Pregnancy/Parental Leave and Extended Illness

Originally Signed June 4, 2015

The parties agree to the following interpretation and administration of Articles 24 (Long Service I Sessionals) with respect to Pregnancy/Parental Leave (Article 17) and Long Term Absence due to Illness, and the impact on Unit Allocations.

1. Missed units that would have otherwise been worked during a time when a Continuing Sessional is approved for leave of absence for Pregnancy or Parental Leave under Article 17.04 or has been granted a leave of absence due to an extended illness (i.e. more than a short term illness contemplated in Article 17.01) will not factor into the next calculated Unit Allocation.
2. Instead, the 4 year averaging period will be adjusted by substituting the units taught in the 5th prior assignment year in place of the year on an approved leave. Where the period of leave was less than 12 months, the number of units taught in the 5th prior year will be prorated and combined with the units taught in the year of leave.
3. Any employee hired to replace a Continuing Sessional on an approved leave of absence defined in Paragraph 1 above will not be credited with units worked for the purposes of eligibility for Continuing Sessional status, rights or benefits. The University will notify the Union and the employee of this provision and will identify the units worked that will not be credited at the time the offer of employment is made.

LETTER OF UNDERSTANDING #9

Re: ECONOMIC STABILITY DIVIDEND

Definitions

1. In this Letter of Agreement:

“Collective agreement year” means each twelve (12) month period commencing on the first day of the renewed collective agreement. For example, the collective agreement year for a collective agreement that commences on April 1, 2014 is April 1, 2014 to March 31, 2015 and each period from April 1 to March 31 for the term of the collective agreement.

“Economic Forecast Council” means the Economic Forecast Council appointed under s. 4 of the *Budget Transparency and Accountability Act*, [S.B.C. 2000] c. 23;

“Forecast GDP” means the average forecast for British Columbia’s real GDP growth made by the Economic Forecast Council and as reported in the annual February budget of the government;

“Fiscal year” means the fiscal year of the government as defined in the *Financial Administration Act* [1996 S.B.C.] c. 138 as ‘the period from April 1 in one year to March 31 in the next year’;

“Calendar year” Is a twelve (12) month period starting January 1st and ending December 31st of the same year based upon the Gregorian calendar.

“GDP” or “Gross Domestic Product” for the purposes of this LOA means the expenditure side value of all goods and services produced in British Columbia for a given year as stated in the BC Economic Accounts;

“GWI” or “General Wage Increase” means a general wage increase resulting from the formula set out in this LOA and applied as a percentage increase to all wage rates in the collective agreement on the first pay day after the commencement of the eleventh (11th) month in a collective agreement year;

“Real GDP” means the GDP for the previous fiscal year expressed in constant dollars and adjusted for inflation produced by Statistics Canada’s Provincial and Territorial Gross Domestic Product by Income and by Expenditure Accounts (also known as the provincial and territorial economic accounts) and published as “Real Gross Domestic Product at Market Prices” currently in November of each year.

The Economic Stability Dividend

2. The Economic Stability Dividend shares the benefits of economic growth between employees in the public sector and the Province contingent on growth in BC’s real GDP.
3. Employees will receive a general wage increase (GWI) equal to one-half (1/2) of any percentage gain in real GDP above the forecast of the Economic Forecast Council for the relevant calendar year.
4. For greater clarity and as an example only, if real GDP were one percent (1%) above forecast real GDP then employees would be entitled to a GWI of one-half of one percent (0.5%).

Annual Calculation and publication of the Economic Stability Dividend

5. The Economic Stability Dividend will be calculated on an annual basis by the Minister of Finance for each collective agreement year commencing in 2015/16 to 2018/2019 and published through the PSEC Secretariat.
6. The timing in each calendar year will be as follows:
 - (i) February Budget – Forecast GDP for the upcoming calendar year;
 - (ii) November of the following calendar year – Real GDP published for the previous calendar year;
 - (iii) November - Calculation by the Minister of Finance of fifty percent (50%) of the difference between the Forecast GDP and the Real GDP for the previous calendar year;
 - (iv) Advice from the PSEC Secretariat to employers’ associations, employers and unions of the percentage allowable General Wage Increase, if any, for each bargaining unit or group with authorization to employers to implement the Economic Growth Dividend.

1. For greater clarity and as an example only:

For collective agreement year 3(2016/17):

- (i) February 2015 – Forecast GDP for calendar 2015;
- (ii) November 2016 – Real GDP published for calendar 2015;
- (iii) November 2016 - Calculation of the fifty percent (50%) of the difference between the 2015 Forecast GDP and the 2015 Real GDP by the Minister of Finance through the PSEC Secretariat;
- (iv) Direction from the PSEC Secretariat to employers' associations, employers and unions of the percentage allowable General Wage Increase, if any, for each bargaining unit or group with authorization to employers to implement the Economic Growth Dividend
- (v) Payment will be made concurrent with the General Wage Increases on the first pay period after respectively February, 1, 2016, February 1, 2017, February 1, 2018 and February 1, 2019.

Availability of the Economic Stability Dividend

2. The Economic Stability Dividend will be provided for each of the following collective agreement years: 2015/16 (based on 2014 GDP); 2016/17 (based on 2015 GDP); 2017/18 (based on 2016 GDP); and, 2018/19 (based on 2017 GDP).

Allowable Method of Payment of the Economic Stability Dividend

9. Employers must apply the Economic Stability Dividend as a percentage increase only on collective agreements wage rates and for no other purpose or form.

The preceding Letters of Understanding are agreed to by the parties.
