AFRICA@UVIC

Multi-Disciplinary Perspectives on Sub-Saharan Africa

CYC 379 (1.5 units)

CRN: 20788

Wednesdays, 6:15pm – 8:45pm

January 7 to April 1, 2015

UVic Room: HHB-116

Info: africa@uvic.ca

Brief Description:

This multi-disciplinary course highlights UVic academic activities related to Africa. Sessions are led by various UVic faculty and feature overviews of their work (see sample topics below).

Sample topics include:

- Out of Africa: Early hominid evolution and migration
- Pre- and Post-colonial Africa
- Contemporary African topics
- Promoting African Indigenous knowledge
- HIV/AIDS in Africa
- Critiquing the 'global child' from an African perspective
- Traditional African approaches to conflict resolution
- African refugees: Policies, experiences and challenges
