

OR Specialty Placement Application Information Sheet

Placement Timeframe for 2020

January to early April 2020 for NURS 475 and NURS 491 (12 weeks total).

Location

Royal Jubilee Hospital and Victoria General Hospital; 4-5 spaces at each site.

Prerequisites

UVic criteria

GPA 6.0 (B+) or higher; registration status in good standing; no BSN program practice probation; meet application due date.

Health Authority Criteria

Must meet Island Health Authority professional practice requirements including but not limited to: current CPR and Mask Fit certifications; clear Criminal Record Check (CRC); confidentiality training or acknowledgement; agency orientation and computer training; Photo ID; current immunizations; current TB status.

Course Completion

The Island Health Perioperative Program consists of AORN Perioperative 101 base on AORN's evidence-based Guidelines for Perioperative Practice supported by ORNAC Standards and the Provincial Tiers of Service Education specific to RJH and VGH. The program consists of a combination of evidence-based on-line curriculum and textbook readings with hand-on learning/lab sessions and clinical practicum over 12 weeks. The intent is to prepare nurses to function competently in a perioperative setting at a novice level. The program includes assignments, quizzes and a final exam for 450 program hours.

Upon Graduation

The course is paid by Island Health; Post-graduation: Commitment to work in IH OR for 1.5 years; if the student wishes to withdraw from the OR program, they can do so only at the end of NURS 475.
