

Application Deadline: April 15

Eligibility Requirements

Program Information

- 1) The BA in Health and Community Services is a four year degree program consisting of 30 units of **CORE** course work.
- 2) At least 30 units must be completed in the Health and Community Services Program.
- 3) All students must meet UVic's Academic Writing Requirement as outlined in the current Calendar
- 4) Students in the program choose an **Area of Focus**: Indigenous Health, Ageing, Disability Studies or International/Global Health.
- 5) The program is **ONLINE** except for three required onsite components (one week orientation prior to program beginning, in last week of August; one week area of focus course in May of your first year; two day Culminating Conference in April at the end of your program).
- 6) This program has a required **PRACTICUM**, a 150 hour experiential learning experience in the final term. If you are employed, time off work will be required, as practicum placements are typically outside of the work place.

**PLEASE NOTE THE DEADLINE FOR APPLICATION
IS APRIL 15TH**

Admission Requirements

- 1) Students will have usually completed 30 units of 1st and 2nd year coursework at UVic or another recognized post-secondary institution, upon admission. However, those who have completed at least 12 units of course work may apply to enter the program in second year for ON CAMPUS studies, and students who have completed 27 or more units may apply to enter the program in third year for ONLINE studies.
- 2) Admission of transfer students who have completed transferable course work at another recognized post-secondary institution will be considered, as per UVic transfer credit policies outlined in the current UVic Calendar. Some academic certificate or diploma programs may be eligible for block credit; this does not include vocational or professional development credentials.
- 3) Students are selected through a competitive application process. A GPA of 4.0 (B-) on the most recent 12 units is required.
- 4) It is strongly recommended that students have completed Pre-calculus 11 or Foundations of Mathematics 12 or equivalent.

Supporting documents are required and form part of your application. They MUST be ready to upload at the time of your online application. These include (unofficial) transcripts, a statement of intent and your resume (CV).

Criteria for Selection and Review

All applicants who meet the criteria for admission to UVic will be reviewed according to the following criteria.

- 1) Grade Point Average (GPA) minimum 4.0/9.0 (B-)
- 2) Statement of Intent
- 3) Other considerations include professional and volunteer experience and community service.

Once admitted to the program students may change their area of focus subject to individual academic advising with the Program Manager.

Some applicants may:

- have exemplary careers and records of accomplishment yet have irregular undergraduate university records;
- have a GPA below B- (4.0)

If one of these scenarios applies to you, please upload an additional covering letter explaining why your GPA does not reflect your true ability to excel in the Bachelor's program *Applicants who do not meet the GPA requirement may be required to apply through the University Senate Committee on Admission, Registration and Transfer.*
