All students admitted to the BSW program or taking social work courses must have computer and internet access for the duration of their program.

As a BSW Student, you will require:

1. A UVIC Netlink ID and a UVIC e-mail address
2. A computer running Windows or Mac OS
3. A reliable high-speed Internet connection with an up-to-date web browser (Mozilla Firefox, Internet Explorer, Google Chrome or Safari) using the latest version of the browser
4. A soundcard with speakers and microphone or a headset (with a microphone) for web-conferencing
5. A camera with capacity to record digital video and audio (for assignment purposes)

Guidelines for setting up your UVIC Netlink ID will be provided upon admission or can be viewed on the UVIC website at http://netlink.uvic.ca/

Your UVIC email address (@uvic.ca) should be set as your preferred email address on your UVic “My page” as other service providers are “blocked” from time to time.
