

***Preparing for the University of Tomorrow, Today: Improving the Teaching, Research and Learning Environment for Minority and Indigenous Women Faculty and Students***

Xiaobei Chen, Principal Investigator, Jo-Anne Lee and Veronica Pacini-Ketchabaw, Co-Investigators.

Learning and Teaching Centre, UVic (\$8000)

2004-2005

This project addresses the particular needs of minority and Indigenous women faculty who explicitly seek to bring about transformational consciousness among students when teaching knowledge and skills about cultural diversity, social in/justice and social in/equality.
