

LING 486 A01: Experimental Phonetics (1.5 units) Spring 2025 – University of Victoria

Unknown Author; Licensed under [CC BY-NC](#)

Schedule

Mondays & Thursdays from 10:00am until 11:20am

Prerequisites

LING 380

Description

This 1.5-unit course has LING 380 as a prerequisite and the prior completion of LING 204 as a recommendation to ensure a solid foundation for the LING 486 course content. An expansion on topics covered in LING 380 and/or 381. Focus is on designing and conducting original studies in articulatory, acoustic and/or perceptual phonetics, implementing computer technology in both methodological design and data analysis.

Textbooks

- There is NO text for this course. Any required readings are provided in the respective topic module in Brightspace.
- Minimum technology requirements for students (see [UVic Requirements](#)). These apply as this course requires online participation.
