PART-TIME MASTERS DEGREE PROGRAM IN ENGLISH
AT THE UNIVERSITY OF VICTORIA

- **WHAT'S NEW?** As of September 2023, you can earn your Masters Degree in English by studying part-time at the University of Victoria.

- **HOW LONG DOES IT TAKE?** If you take one course each term, you can complete your MA in just two years.

- **DO I HAVE TO MOVE TO VICTORIA?** No! You can do the whole thing online if you choose. Online courses are offered every term, with guaranteed live discussion sessions in digital seminars led by world-recognized faculty. Live sessions will be scheduled in late afternoons and evenings (Pacific Time) to accommodate working students. Local students who are available for in-person graduate courses on campus may enrol for those.

- **HOW MUCH WILL IT COST?** You'll only pay part-time tuition* and save on ancillary fees, travel, housing, and moving costs associated with uprooting to come to Victoria for a year.

- **IS IT THE SAME DEGREE THAT IN-PERSON STUDENTS EARN?** Yes! You'll earn the same degree as you would get by coming to Victoria and studying full-time for a year.

- **WHAT DOES THE PART-TIME PROGRAM STRUCTURE LOOK LIKE?** You'll take six graduate courses in a variety of topics, including a research methods and professional development course (ENSH500). In addition, typically in your final semester, you'll enroll for the graduating MA Essay/Project (ENSH598) in a topic of your choice, supervised by a faculty member.

- **WHY IS THIS A GOOD IDEA?** Doing your MA can improve your capabilities in teaching, make you eligible for promotions, enable you to change careers, and enhance your earning potential. It's also challenging, fun, and rewarding.

- **WHAT IS THE APPLICATION DEADLINE?** We accept applications on a rolling basis until the program is full: for September 2025 admission apply before 15th June 2025, and for January 2026 admission apply before 30 September 2025.

- **HOW DO I FIND OUT MORE?** Contact us at englgradsec@uvic.ca, 250-721-6331, or DM us on Instagram @uvicenglish.

Note that ENSH598 is a full-time course (although it can be comfortably completed in one semester by working students) and full-time fees will apply for that semester only.
