Instructor: TBA

Email: TBA

Course Description:

The course will provide you with a foundation of key concepts, themes, and debates in Gender Studies, as well as the tools to critically engage with questions of privilege, power, and transformation.

Objectives:

Through the study of diverse topics such as culture, the media, globalization, and resistance, you will learn about how many aspects of our lives are gendered, racialized, sexualized, classed, and transnationalized and the consequences of these intersecting practices for social inequalities.

Key Readings for course:

A wide variety of academic, artistic and activist texts from global perspectives.

Evaluation:

Online course/forum engagement, research papers and opportunities for personal reflection.
