

GRS 333
Alexander the Great and
the Hellenistic Age

Professor Geoffrey Kron
Fall 2023
T, W, F 1.30-2.20

In this class we will:

- Explore Alexander the Great's campaign to conquer the Persian Empire
- Analyze the political, social, intellectual and cultural history of Hellenistic age
- Examine the civilizations in the regions settled by the Greeks or conquered by Alexander (Greece, Asia Minor, the Near East)
- Investigate the creation of empire under Alexander and his successors
