Program errata

There is an important change in the Friday morning session: Arnout Boot of the University of Amsterdam had to cancel last minute. We found a partial replacement for his talk in the form of Professor Mei Li (University of Guelph) and the other part will be taken up by Professors Merwan Engineer and Paul Schure of UVic.

Here is the updated Friday morning session.

- 8:00 – 8:40 Continental breakfast in HHB
- 8:40 – 9:00 David Scoones (Chair, Department of Economics, University of Victoria): FISS welcome address

- 10:20 – 10:40 Coffee break
- 10:40 – 12:00 Mei Li (University of Guelph): Banks as liquidity providers, banks runs, and financial fragility
