with your grade, you can ask for a re-correction of the copy by the instructor. The new grade will count, whether it is higher or lower than the original one.

Counseling Services

Many, if not most, students experience some difficulties with their mental health during their years as undergraduate students. Make sure you are familiar with [Uvic Counseling Services](#), which is an excellent resource you have at your disposal on campus. It is hard to shake the stigma associated with problems like depression and anxiety, but if at any point you can benefit from help with mental health issues, please contact Counseling Services. They genuinely want to help, and why not take advantage of this free resource?

Important Dates

Please consult the Uvic calendar's [Academic Year Important Dates](#) for information about last possible dates to withdraw from courses without penalty, examinations period start/end dates, etc.

Technology in Classroom

Some students require laptops or voice recognition apps for their learning strategies, so I do not prohibit their use in the classroom. However, studies demonstrate that multi-tasking reduces the performance of other nearby students. Therefore, I strongly discourage the use of computers in the classroom. Anyone caught on social media, internet surfing, etc. will be asked to leave and potentially subject to disciplinary action.

Uvic Sexualized Violence Prevention and Response

Learn more about preventing sexualized violence by visiting www.uvic.ca/svp. If you or someone you know has been impacted by sexualized violence and needs advice, and/or support, please contact the Sexualized Violence Resource Office in EQHR, Sedgewick C119; email: svpcoordinator@uvic.ca.
