Description

This year's course has three blocks. Block 1 is on the TV series *Babylon Berlin*, set in the Weimar Republic of the late 1920s, drawing parallels to the 2020s in terms of how quickly the way we live changes. Block 2 is on the TV series *Deutschland 83*, set during the cold war of the 1980s, military confrontation in Europe having made a comeback in the 2020s. Block 3 is on satire using the films *Die Fetten Jahre sind vorbei* and *Die Känguru Chroniken* as examples on the left/right divide in Germany of the 21st century.
