### Description

In **SPAN 250A**, you'll keep building your Spanish at the A2.1 level of the Common European Framework. Your instructor will speak Spanish most of the time — and you will too — with plenty of support to help you get comfortable interacting fully in Spanish. Through small-group tasks, class activities, conversation, listening and reading practice, and focused work on grammar and vocabulary, you'll gain confidence using practical, everyday expressions. Along the way, you'll explore diverse cultural topics in an engaging, supportive environment.
