#### Required qualifications and experience

Appointment procedures are based on the guidelines of the CUPE 4163 Agreement, TA Appendix Article 13.02. Selection criteria for all positions will include the qualifications and ability of the candidate(s) based on academic merit and related experience, the career and/or pedagogical value that the experience in a particular position will provide the student, the student's preferences, and other sources of graduate student financial support being received. All applications will be considered; however, priority will first be given to graduate students registered in the School of Language, Linguistics and Cultures in accordance with the School's Appointment Priority Policy, including any graduate students with conditional offers of employment included in an offer of admission.

The Department Appointment Priority Policy provides priority to Graduate Students in their

academic Department or School before others and follows the CUPE Local 4163 agreement, Schedule A, page 37.

*The University is committed to upholding the values of equity, diversity, and inclusion in our living, learning and work environments. In pursuit of our values, we seek members who will work respectfully and constructively with differences and across levels of power. We actively encourage applications from members of groups experiencing barriers to equity.*
