¹Undergraduate Equivalent Enrolments Taught (EET) for a department are calculated by dividing the undergraduate Unit Course Registrations (UCRs) by 15. (UCRs for a department are calculated by summing the products of the headcount enrolments and the number of units for each undergraduate course in the department and include off-campus credit courses and graduate students enrolled in undergraduate courses). The

EET for fall-term courses plus one-half of the EET for full-year courses (as of November 1) forms the November portion. The spring term EET plus one-half the full-year EET (as of March 1) combine to form the March component. The May-June EET's plus the July-August EET plus the May-August EET (all as of August 1) forms the August component. Note that the annualized year begins in the summer. Remedial courses, auditors, and zero-unit courses are excluded.

²The School of Business, formerly in Social Sciences, became the Faculty of Business in the summer of 1995.

³Lower level courses are numbered 100 to 299 while upper level courses are numbered from 300 to 499 and 700's in Education.

⁴EET at the faculty level.

⁵Includes Arts of Canada (ACAN), Canadian Studies (CS), Intercultural Education and Training (IET), and Liberal Arts (LA).

⁶In the fall of 1999, the department of Psychological Foundations in Education (PFED) changed its name to Educational Psychology & Leadership Studies (EPLS).

⁷As of 2001/02 the departments of Germanic Studies and Slavonics amalgamated to form the department of Germanic & Russian Studies.

⁸As of 2004/05, co-op EETs are included in departmental and faculty totals.

Source: Data derived from Class Population Reports as of Aug 1, Nov 1, and March 1.
