

DEFINITIONS -- SPACE AND CLASSROOM SIZE

Net Assignable Square Meters

Net Assignable Square Meters (NASM) is the sum of all areas in a building available or potentially available to occupants, including offices, classrooms, laboratories, conference rooms, library space, and special purpose spaces.

Non Assignable Space

Area that is not available for assignment to occupants but is necessary for the general occupation or mechanical support of a building, eg. hallways, stairwells, washrooms.

Classroom Size

The number of students in a section.
