Call for Applications

UVic’s European Studies Program is looking for 4 UVic students to participate in the 11th Annual Model EU on 20-21 February 2015.

This year will feature two concurrent summit negotiation sessions focusing on the following issues: (1) Common Foreign and Security Policy: Towards a Common Crisis Response System (2) Fighting Youth Unemployment in Europe.

This simulation experience enables students to acquire in-depth knowledge about the EU, gain experience in public-speaking and negotiating, apply research and writing skills, and meet peers from several institutions in the Pacific Northwest while learning about teamwork and leadership.

Students prepare by researching the issues to be negotiated and the position of their country on the issue. Students are expected to produce and submit a position paper and proposed draft resolution before the conference. Awards are given to individuals for their preparation, representation and diplomacy. In 2014, UVic’s Kris Best, as the President of Latvia, won Outstanding Head of State.

To Apply:

Only current undergraduate students are eligible to apply

Submit your resume, letter of intent, and letter of (faculty) support to Nicole Bates-Eamer at eusprog@uvic.ca. You can contact Nicole at 721-6490 for additional information, or come by the EUS office, Sedgewick C195, for more information.

Letters of Intent should include:
• Why are you interested in the Model EU?  
• What are you hoping to learn from the experience?  
• What skills/characteristics do you have that would make you a successful participant?

Depending on the number of applications received, an interview may be required.

Registration, travel and accommodation costs are covered by UVic’s European Studies Program.

Deadline: Friday, 28 November 2014
