

STUDENT-DESIGNED INTERDISCIPLINARY MINOR

NOTES: A Minor is an optional program that allows students to study in an area outside their Honours, Major or General Program areas. Requirements vary and are specified in the Minor requirements of the department concerned.

Student-designed Minor must:

1. be distinct from existing programs
2. include courses from at least two departments, with a minimum of 3 units from each department
3. consist of courses taken only at UVic
4. have structure, coherence and theme; it cannot consist of unrelated courses
5. be reviewed by the Director of the Office of Interdisciplinary Programs
6. be approved by the Chair and Adviser of departments concerned
7. be approved by the Associate Dean of Academic Advising of Humanities, Science and Social Sciences
8. be declared prior to the student achieving fourth-year standing (maximum 41.5 units)
