UVic Exchange Credit History | **Singapore Management University**

No exchange credit history is currently available for this host university. The lack of information could be due to the partnership being new, or that an exchange student has not recently studied at the host university. Students should refer to the host university's course catalogue for a full list of exchange courses. This document will be updated as soon as UVic exchange credit and course equivalency information becomes available.

Year Evaluated	Host Unviersity	Course Name at Host University	UVic Course Equivalency	UVic Credits
2021	Singapore Management Univ.	CS 302 IT Solution Lifecycle Management	SENG 30L	1.5
2021	Singapore Management Univ.	CS 421 Principles of Machine Learning	CSC 40L	1.5
2021	Singapore Management Univ.	CS 426 Agent-based Modeling and Simulation	CSC 40L	1.5
2021	Singapore Management Univ.	CS 440 Foundations of Cybersecurity	CSC 40L	1.5
2021	Singapore Management Univ.	CS 445 Cyber Threat Intelligence	SENG 40L	1.5
2021	Singapore Management Univ.	SMT 481 Smart-City Operations Research	CSC 40L	1.5
2021	Singapore Management Univ.	CS 461 Mobile and Pervasive Computing & Applications	CSC 40L	1.5
2021	Singapore Management Univ.	CS 462 Internet of Things: Technology and Applications	SENG 30L	1.5
2021	Singapore Management Univ.	IS 211 Interaction Design And Prototyping	SENG 20L	1.5
2021	Singapore Management Univ.	IS 463 Digital Technologies for Environmental Sustainability	SENG 40L	1.5
2021	Singapore Management Univ.	IS 466 Digital Ethics for Responsible Computing	SENG 401	1.5
2021	Singapore Management Univ.	CS 460 Foundations of Cyber-Physical Systems	CSC 40L	1.5
