## HOW TO USE THIS COURSE LIST

This course list is comprised of all UVic courses recommended for short-term international students. Some courses are open for registration, while others require **prerequisites, corequisites and/or year restrictions**.

Unless otherwise specified, the courses listed for each UVic department are the **only courses** within that department that **you are eligible to register for**.

Some departments direct you to the [UVic Course Calendar Catalogue](#) to see their course options, in which case you may select any course from that department.

The [Course Calendar](#) is updated annually on May 15. Course registration occurs for the Fall and Spring terms once a year, starting in early June.

### Guide Legend

**COURSES LISTED IN BLUE = You do NOT need to submit a Course Request for this course**

**COURSES LISTED IN RED = You DO need to submit a Course Request for this course**

## WHEN AND HOW TO COMPLETE A COURSE REQUEST

To start, please refer to the [Course Planning and Registration Process for Short-Term Incoming International Students](#) Document.

### Definitions

- A **corequisite** is a course or other requirement that must be completed before or at the same time as a particular course.
- A **year 'standing'** restriction limits enrollment to students at a certain year level

### Registering for Courses

Every student receives a registration email with your "time ticket", indicating when you can start registering for courses. You can register any time after the date and time stated in your time ticket, but don't wait too long! Classes fill up quickly.
