

PhD Candidacy Exam External Examiners Nomination Form

The PhD student must discuss possible dissertation examiners with their supervisor(s) and agree on a list of three nominees. The potential examiner names and contact details must be listed below and submitted to the Graduate Program Coordinator no less than six weeks prior to the proposed exam date.

The student and supervisor(s) must not approach any of the nominees directly about the dissertation or the student's program until after the examination process is complete.

Our preferred practice is that the examiner be a member of the University of Victoria, Faculty of Graduate Studies and be available on campus at the time of the exam. The examiner may be a member of the Law Faculty but cannot be a member of the student's committee.
