Confirm your Registration Time

All UVic Law students received an automated “time ticket” email from the Registrar’s Office on Friday, March 6. This email advises how to confirm your summer term registration date on My Page. Briefly, this is how: Sign into My Page and click on the following: Student Services (left side-bar) > Registration tab > Registration Status. Select the term (summer) and click Submit to see your registration date and time. Registration begins on March 17 for co-op students and March 18 for non-co-op students. See the Summer Planning Guide for information about registration priority.

Confirm You Have No Registration Holds

Follow the steps above to confirm your registration time is correct. Then, click on Holds and Alerts to see if there are holds on your record that will block your registration. The most common holds are those set by UVic Accounting. They relate to outstanding tuition and ancillary fees and parking and library fines. Take immediate steps to clear all holds, and anticipate up to three days for UVic Accounting to process payments.
