

Proposed Course Schedule

Please consult the Faculty of Law [academic calendar](#), [timetables](#) and [Incoming Exchange Student Course Restrictions and Cautions](#) document when choosing your courses. Note: Not all courses listed in the Academic Calendar are available each term and some may not be available to exchange students due to prerequisites. List below all courses in which you are interested in registering while attending the University of Victoria. We recommend that you provide alternate selections.

The full-time study requirement for domestic students is 7.0-8.5 units per term. This is a heavy workload and is not expected of exchange students. Approval for course load taken at UVic must come from your home university. You are responsible for meeting the appropriate course load and for ensuring that your timetables and exams are conflict free.
