

## 2021 Annual Progress Report

Mandatory for all continuing LLM and PhD students who have registered in their program for at least three terms (12 months).

All relevant sections of the attached *Annual Progress Report* must be completed by the candidate and two members of their supervisory committee. Please return the **entire** completed report\* and all relevant documents by **Friday 24 September, 2021** to:

Tiffany Gordon, Graduate Program Assistant  
[gradlaw@uvic.ca](mailto:gradlaw@uvic.ca) Fraser Room 216

\*Individual sections will not be accepted.

### Purpose of review

The purpose of the annual review is twofold: to ensure that satisfactory progress is being made and to touch base with students in order to identify potential problems with which they may need assistance. To these ends, you are required to complete the attached *Annual Progress Report* and may be asked to participate in a progress interview.

### Submission of Annual Progress Report

This report should not be the first point at which you and your supervisory committee discover there is a problem. However, identifying difficulties in this report may assist in seeking a resolution. The process can only work effectively if you and your committee members provide full and complete information in the report.

All students are required to participate in the annual progress report and some students may be asked to participate in a progress interview to discuss future research plans and a completion timeline.

Once you have completed Section I of this report, please forward it to the two supervisory committee members copied on the email. They must complete Section IIa or IIb. **It is the student's responsibility to retrieve the completed sections from the supervisory committee members, and then submit the entire report to the Graduate Program Assistant (Tiffany Gordon) by the deadline.**

Please submit your complete Annual Progress Report for 2021 by e-mail to [gradlaw@uvic.ca](mailto:gradlaw@uvic.ca) or drop off to Fraser Room 216 (from August onwards only).

### Progress Interview

A progress interview may be scheduled. The interview will be conducted by the Graduate Program Director or a substitute chosen from the Faculty. A copy of the report will be sent to you prior to any required interview. The interview may be conducted by telephone or video-conference if an in-person interview is not feasible at the time.

### **Outcome of the Annual Progress Report Process**

After reviewing your report, the Graduate Program Director will make a recommendation concerning the continuation of your candidature and will complete Section III accordingly. Where any difficulties have been identified, Section III will include a recommended course of action to address those difficulties.

In cases where academic progress is not being made and it appears that continued supervision will not lead to satisfactory completion, this may include a recommendation that you be withdrawn from the program, and the procedure stipulated in section 6.15 of the Faculty of Graduate Studies, "Graduate Supervision Policy" (<http://www.uvic.ca/graduatestudies/research/home/yoursupervisor/relationship/index.php>) must be followed.

### **Additional information**

To request any of the following changes to your candidature, contact the Graduate Program Assistant (Tiffany Gordon) to request more information:

- Temporary leave of absence from candidature.
- Indefinite withdrawal from program.
- Extension of candidature beyond the time limits for the degree.
