orcid.org/0000-0002-4970-053X

EDUCATION

Master of Arts, Humanities Computing (ABT) - University of Alberta, 2012.

Graduate Diploma in Information Technology (Distinction) - Memorial University of NL, 2001.

Master of Library and Information Studies - McGill University, Montreal, Quebec, 1997.

Bachelor of Arts (Honours) - Queen's University, Kingston, Ontario, 1995.

WORK EXPERIENCE

Associate University Librarian for Digital Scholarship & Strategy

2015 – present

University of Victoria Libraries

Victoria, BC

As a member of the library's senior management team the AUL DSS provides leadership in initiatives around digital scholarship, digitization, and digital preservation. The AUL takes a leadership role in building new partnerships across interdisciplinary audiences within the university and with external communities, and engages in national and international initiatives related to new and emerging digital research infrastructures.

Scholarly Communication Librarian

2012-2014

Memorial University of Newfoundland Libraries

St. John's, NL

The Scholarly Communication Librarian is responsible for open access publishing initiatives at Memorial University, including implementation, policy development, and management of the Memorial University Research Repository, the open journal hosting initiative, and the Open Access Author's Fund. As a faculty liaison this position works closely with researchers across the university to promote openness in scholarly publishing.

Graduate Research Assistant

(during sabbatical) **2011 – 2012**

Canadian Writing Research Collaboratory
University of Alberta

Edmonton, AB

Linked Data planning and implementation, selection of appropriate ontologies and identification of RDF stores for interlinking entities. CWRC is a large CFI funded digital humanities project that aims to create an online research environment for literary studies under the lead of Dr. Susan Brown.

Graduate Research Assistant

(during sabbatical) **2011 – 2012**

TAPoR Redesign Project
University of Alberta

Edmonton, AB

Project management, tool testing, and documentation as part of a project group responsible for designing and launching Text Analysis Portal for Research 2.0, under the supervision of Dr. Geoffrey Rockwell.

| | |
|---|--------------------|
| Associate University Librarian for Information Technology (Acting) | 2010 |
| Memorial University of Newfoundland Libraries | St. John's, NL |
| As part of the Library's Executive Management Team the AUL IT takes a lead role in planning and developing new services and technological directions for all seven branches of the Memorial University Library system. Major projects included oversight and development of the library's large digital archive, managing the library's digitization lab, upgrading server and storage infrastructure, upgrading the digital asset management system, and managing electronic theses and dissertations. | |
| Head of Library Systems | 2003 – 2009 |
| Memorial University of Newfoundland Libraries | St. John's, NL |
| Information systems architecture, design, and integration. Project management, IT planning, and day-to-day operations serving all seven branches of Memorial University Libraries. University-wide liaison responsibilities with other technical units, administrative units, and university committees. Responsible for managing nine support staff, preparing budgets and planning for the division. | |
| Course Instructor, LIBS 1606 – Library Technology | 2004 – 2008 |
| Memorial University. Distance Education and Learning Technologies. | St. John's, NL |
| Course design, preparation of on-line course manual, reading list, assignments and other related course materials. On-line teaching and student evaluation. | |
| Course Instructor, LIBS 2606 – Advanced Topics in Library Technology | 2004 – 2008 |
| Memorial University. Distance Education and Learning Technologies. | St. John's, NL |
| Course design, preparation of online course manual, reading list, assignments and other related course materials. Online teaching and student evaluation. | |
| Manager, Information Technology Services | 2002 – 2003 |
| Memorial University of Newfoundland Libraries | St. John's, NL |
| Administration of the SirsiDynix Integrated Library System. Planning and development of technical projects and initiatives. Staff supervision and hiring. Technical reference for internal staff and librarians. Liaison with vendors and campus computing department. Service design and programming. | |
| Systems Support/Project Manager | 2001 |
| QEII Library, Memorial University of Newfoundland | St. John's, NL |
| Design and implementation of web-based user services, including remote access, and dynamic web content. Administration and technical support for automated resource sharing, and the Relais interlibrary loan system. Network and server administration. | |
| PC Support | 2000 |
| Computing & Communications, Memorial University of Newfoundland | St. John's, NL |
| PC and network troubleshooting for Memorial faculty, staff and students. Software installation and configuration. Development of software support web site. | |
| Information Services Librarian | 1997-2000 |
| Marianopolis College | Montreal, QC |
| Provided reference and research assistance to students and faculty using print and electronic resources. Created and delivered workshops in software and library instruction for students and faculty. Maintained small NT network. Designed and maintained library web site. | |

SKILL SETS

Supervision and Management

Coordination, organization, and supervision of work of 21 FTE in Digital Scholarship Unit
Planning, implementation, and development of technical projects for seven branch libraries within the Memorial University Library System. Extensive project management experience.
Job design & classification, interviewing, and hiring
Budget planning and management for Memorial Libraries IT procurement
Experience developing and evaluating tenders and RFPs for equipment and services
Planning, implementation, and administration of Memorial Libraries Open Access Author's Fund

Digital Asset Management

Platforms: CONTENTdm, EPrints, DSpace, Samvera/Fedora, Blacklight/Spotlight
Management and development of Memorial digital archive containing 80,000 objects
Server, network, and storage infrastructure development
Scanning and conversion of paper documents using ABBYY Finereader OCR
Digitization of legacy audio and video formats
Preservation strategies & tools: PREMIS, OAIS model, LOCKSS, Archivematica

Metadata Models

Metadata models including Dublin Core, FRBR, IEEE LOM, ETD-MS, METS/ALTO
Familiar with OAI/PMH, METS/MODS, SWORD data exchange protocols
TEI mark-up using Oxygen XML editor
RDFa markup using SIOC, DC, & FOAF ontologies
Protégé Ontology editor, Google Refine, APIs for Dbpedia, VIAF, id.loc.gov
Library of Congress Subject Headings, AACR2, and MARC 21 standards

Electronic Publishing

Implementation & management of PKP Open Journal Systems
Development of twelve peer-reviewed journals on the OJS platform
Establishment of a university-wide research repository using Eprints
Search engine optimization, ORCID author identifiers
Journal metrics including Impact Factor, h-index, and Altmetrics
Crossref/DOI linking & citation managers including Refworks, Endnote, Zotero
Usage analysis with Google Analytics, Webtrends, SUSHI/COUNTER

Integrated Library System Administration

Advanced Unicorn Admin (UNIX) Training - Sirsi Corp. Huntsville, AL, 2002
SirsiDynix Symphony API, seltools, and custom reports using Perl
ILS upgrades, hardware and software deployment
Developed "Export to Refworks" functionality for library catalogue
WorldCat Local Implementation Team Chair
OCLC Reclamation Project Team

Intellectual Property

Familiar with many aspects of electronic copyright
Creative Commons, GPL, CC0 licenses
Open Access business models for journals and books
Electronic resource licensing models, platforms, and delivery interfaces

Website Development

Web programming in HTML, Javascript, CSS, PHP, Perl, XML, XSLT
Content management systems including Drupal, LibGuides, mysqladmin
Course design and instruction in WebCT, D2L learning management systems
Web server log file parsing and custom reporting in Perl
Blogs & Wikis: Blogger, WordPress, Wikipedia, Confluence
Knowledge of various network protocols including TCP/IP, MAC addressing
Implementation and management of IIS, Apache, FTP servers

Search & Retrieval, Indexing

DBMS administration including Oracle, MSSQL Server, MySQL
Administration of Apache Lucene full text indexing and Solr Enterprise search server
Metasearch technologies including XML Gateways, Z39.50, SRU/SRW
OpenURL 1.0, Worldcat Link Manager, SFX Resolver

Collections & Acquisitions

Implementation of Electronic Data Interchange with Blackwell, YBP & Coutts
Implementation of WorldCat Selection collection and acquisition interface
Experience using YBP GOBI, Coutts Oasis, WorldCat Selection
Collections librarian for Memorial's Faculty of Business Administration

Identity Management

Management of Ezproxy off-campus login service & automated user updates
Developed ILS patron load based on feed from university Banner system
Developed authentication pass-through from Resolver to Relais ILL system
Online LDAP authentication for library public workstations

Programming Languages

HTML/CSS, JavaScript, SQL, PHP, Perl, XSLT, Unicorn API

Goddard, Lisa and Louise White. "The Catalogue As Master File", Atlantic Provinces Library Association Conference, June 2003, St. John's.

SELECTED COMMITTEE MEMBERSHIPS

Library Committees & Working Groups

UVic Libraries Strategic Communication Committee, 2019 (Chair)
UVic Libraries Coordination Team, 2015-present
UVic Libraries Strategic Planning Steering Group, 2018
UVic Libraries Data Working Group, 2016-present (Chair)
UVic Libraries Social Media Working Group, 2015-2017 (Chair)
UVic Libraries Web Coordinating Committee, 2015-2017
UVic Libraries ILS Review and Planning Committee, 2017-18 (Chair)
Memorial University Research Repository Steering Committee (Chair)
Memorial University Library Digitization Initiative Steering Committee (Chair)
Memorial University Catalogue Resource & Access Group (Chair)
Electronic Data Interchange Working Group (Chair)
WorldCat Local Implementation Committee (Chair)
Memorial University Libraries Promotion and Tenure Committee (Chair)
QEII Library Division Heads & Space Committee
OCLC Reclamation Working Group
CONTENTdm Implementation Group
ECRC/Relais ILL Planning Group

University-Wide Committees

UVic Research Data Management Working Group
UVic Research Computing Advisory Committee
UVic Research Advisory Committee
UVic CIO Search Committee
UVic Senate Committee on Libraries
VIVO/Yaffle 360 Implementation Committee
Memorial University Electronic Theses and Dissertation Working Group
Memorial University Web Implementation Committee
Computing & Communications Information Technology Architecture Plan – Review Committee
Memorial University Strategy Steering Committee. Key Strategic Initiative: People as Employees
Memorial University Senate
The Key Project for Newfoundland & Labrador – Technical Working Group
Memorial University Digital Campus Committee
Search Committee for University Librarian
Digital Archives Initiative Steering Committee
Core Infrastructure and Operations Subcommittee
Memorial University Committee on Educational Technology

Regional and National Committees

Canadian Society for Digital Humanities Awards Committee, 2019
ORCID-CA Advisory Committee (Chair), 2018-2019
Compute Canada RAC Expert Review Committee on HSS: 2016-2018, 2019 (Chair)
CANARIE RDM Advisory Committee, 2018 & 2019
Dataverse North Working Group (Chair), Canadian Association of Research Libraries, 2017-2019
Repositories Working Group, Canadian Association of Research Libraries, 2017-2019

Canadian Atlantic University Libraries Scholarly Communications Committee (Chair), 2012-2014
CAUL-CBUA Data Preservation Working Group 2013-14
Access Conference Planning Committee, 2013
Associate with the Implementing New Knowledge Environments (INKE) Project, 2012-2013
Associate with the Canadian Writing Research Collaboratory (CWRC), 2012-2013
Co-convenor of the Canadian Library Association's Open Access Interest Group, 2008-2010
Co-convenor of the Canadian Library Association's Emerging Technology Interest Group, 2002-2004

NOTABLE ACHIEVEMENTS

Awarded Alberta Graduate Student Scholarship (\$3000), 2012
Awarded the QEII Graduate Scholarship (\$10,500) from University of Alberta, 2011
Granted early promotion to Librarian III at Memorial University of Newfoundland, 2008
Granted early tenure at Memorial University of Newfoundland, 2004
Blackwell Leadership Symposium at Timberline Lodge in Oregon, 2008 (invited)
Director's Award for Excellence in Information Technology - Memorial University, 2002.
Maintenance of 4.0 GPA in Graduate Dip. IT program - Memorial University, 2000-2001.
