

# Author Funding @ UVic

## Author Funding

The UVic Libraries support open access (OA) publishing through agreements with publishers and membership in the Canadian Research Knowledge Network (CRKN).

These agreements allow UVic scholars to publish OA articles by paying a discounted article processing charge (APC). A 100% discount means the article can be OA at no cost to the author.

To learn more, scan the QR code or email [scholcom@uvic.ca](mailto:scholcom@uvic.ca).

Publisher	Discount	Instructions
American Chemical Society	USD \$250	Use an affiliated university email extension address and select its institution from the drop-down box. Confirm that the institutional affiliation stated in the body of the manuscript is the corresponding author's affiliation.
Cambridge University Press (2022–2024)	100%	Publish an unlimited number of articles, without APCs, in all hybrid and gold journals.
Canadian Science Publishing (2023–2025)	100% - 5 journals 25% - 14 journals	Unlimited OA publishing in 5 journals: <i>Biochemistry and Cell Biology</i> , <i>Canadian Journal of Physics</i> , <i>Canadian Journal of Physiology and Pharmacology</i> , <i>Genome</i> , and <i>Transactions of the Canadian Society for Mechanical Engineering</i> . Authors are also eligible to receive a 25% discount on APCs for all CSP Hybrid journals. (The following Gold OA journals are not eligible for the 25% discount: <i>Arctic Science</i> , <i>Drone Systems and Applications</i> , and <i>FACETS</i> .)
Company of Biologists	100%	Publish an unlimited number of open access articles without APCs in the following journals: <i>Development</i> , <i>Journal of Cell Science</i> , <i>Journal of Experimental Biology</i> , <i>Disease Models &amp; Mechanisms</i> , and <i>Biology Open</i> .
Elsevier (2024–2026)	100%	Publish an unlimited number of articles, without article processing charges, in all hybrid journals. <ul style="list-style-type: none"> <li>Discounts on APCs for gold OA journals by year <ul style="list-style-type: none"> <li>2024: 20%</li> <li>2025: 15%</li> <li>2026: 10%</li> </ul> </li> <li>Authors to inform editor of UVic affiliation</li> </ul>
Elsevier ScienceDirect	20%	Discount on APCs for most hybrid and gold open access journals. Exclusions apply to Cell Press, Lancet, and some other society-owned journals.
Institute of Physics Publishing (2022–2024)	100%	For selected hybrid and gold journals.

## RELATED GRANTS AND AWARDS

### BC Campus Open Educational Resource Grants

Throughout the year, opportunities are announced for people involved in B.C.'s post-secondary institutions to participate in research opportunities, attend events, and contribute their knowledge to the betterment of open learning resources.

### UVic Book and Creative Work Subvention Fund (Office of Research Services)

This fund helps UVic faculty members with the publishing of scholarly books and creative work. Costs associated with journal or conference publications are not covered. Applications are accepted annually May 1, September 1, and January 1.
