

Mental Health: Successes, Challenges, and Misconceptions

- What are the myths and truths about depression?
- Schizophrenia, psychosis, bipolar disorder – what're the differences?
- What is a personality disorder?
- Learn more about the past, present, and future of mental health

Join UBC Island Medical Program students Amy Kim, Laila Drabkin, Kaity Lalonde, and Brianna Crighton in an open conversation.

Monday, January 15, 2018 @ 1:00 – 2:30pm
Medical Sciences Building, Room 150
University of Victoria

Refreshments available

This is the latest in a series of medical student presentations
