

## **HAVE YOU OR SOMEONE YOU KNOW HAD A RECENT CONCUSSION OR HEAD INJURY?**

**If yes, we have an exciting research opportunity for you!**

Dr. Brian Christie's laboratory at the University of Victoria is seeking to better understand how individuals recover from concussions.

**Study Title: The Vancouver Island Concussion Project –  
*Canada Pediatric and Youth CDE Study***

### **As a study participant you will:**

- Be followed for six months by a team of experts involved in Canada-wide concussion research!
- Have your symptoms monitored
- Receive a tailored physical assessment
- Complete tests of your thinking, and social & emotional well-being.

**If you are interested in learning more about this research ,  
please contact the project coordinator, Dr. Kristina Kowalski:
