

CONTRACTOR INDUSTRIAL RADIOGRAPHY APPLICATION

All industrial x-ray testing done at UVic requires prior approval from the UVic radiation safety officer. This form has been generated at UVic to ensure the safety of our staff, our contractors, the general public and the environment. Please complete the following form and attach relevant appendices for approval to commence work.

1. Submissions must be made a minimum of seven (7) days prior to planned irradiation.
2. Signed approval from the UVic radiation safety officer must be obtained prior to commencement of work.
