Standard Residence Meal Plan

All students living in dormitory residence have a standard meal plan. While you can use your funds at other UNFS outlets, you receive 50% off retail pricing at the Residence Cove Dining Facility. This is to compensate for the Service Delivery Fee you pay within your fees, and therefore, this location provides the most value for your meal plan dollars. Any funds added to a +PLUS Account are not subject to the Service Delivery Fee. The +PLUS Account is tax exempt and provides an additional savings of 5% at all UNFS locations for a total of 10% savings.

$100.00 is loaded to your Flex Account for spending on items needed outside of food services.

+PLUS Meal Plan

Funds running low on your Residence Meal Plan? Those with a mandatory meal plan can add to their +PLUS Account for additional savings. Enjoy tax exempt purchases plus an additional 5% discount for a total of 10% savings at UVic Food Services locations.

Tax Exempt Meal Plan

Students living off campus or in cluster can purchase this voluntary meal plan which offers 10% in savings. More information and application form can be found at uvic.ca/food.
