SECTION 7 - RETIREMENT AND BENEFIT COMMENCEMENT DATES

7.01 Normal Retirement Date

Normal Retirement Date means the last day of the month in which the Member's 65th birthday occurs, which is also the Plan's "pension eligibility date" for the purposes of the PBSA.

7.02 Eligibility for Retirement Benefits

To be eligible for retirement benefits, a Member must be at least 55 years of age and have retired from or terminated Covered Employment.

With the permission of the University and subject to the PBSA, retirement benefits may be available to a Member who has attained age 55 and who has resigned from Covered Employment but is a part-time employee of the University in a category which provides membership in another University pension plan.

7.03 Benefit Commencement Date

A Member may elect to commence benefits on the first day of any month after the Member becomes eligible for benefits according to subsection 7.02. The date of commencement of retirement benefits is the Member's "Benefit Commencement Date".

7.04 Mandatory Commencement of Benefits

Notwithstanding any other provision of the Plan, the pension benefits to which an individual is entitled under the Plan will commence no later than the latest date allowed by the Income Tax Act.

7.05 Employment Past Normal Retirement Date

If a Member continues Covered Employment after the Member's Normal Retirement Date, required contributions shall continue to be made by the Member and the University until the earlier of the date the Member retires and November 30th of the year in which the Member reaches the maximum age for which contributions are permitted under the Income Tax Act.

SECTION 8 - RETIREMENT BENEFITS

8.01 Balances Available for Retirement Benefits

The balances in a Member's Combined Contribution Account, Voluntary Contribution Account, and Variable Benefit Account are available to provide a retirement benefit, provided that the Member is eligible under the provisions of subsection 7.02.

8.02 Retirement Benefits Options

A Member may elect to apply the available balance described in subsection 8.01 to a combination of the options listed in paragraphs (a) and (b) below, subject to the approval of the Pension Board:

(a) Options within the Plan:

- (i) Internal Variable Annuity Option to have the amount applied to provide the Retired Member with an annual annuity payable monthly from the Pension Fund. The first monthly annuity payment shall be payable as soon as Investment Earnings are known for the Pension Fund for the month preceding the Member's Benefit Commencement Date, and in any event not later than 30 days following the Member's Benefit Commencement Date. The initial amount of such payment shall be determined by the Pension Board on the basis of the actuarial assumptions as to interest and mortality last adopted by the Pension Board for this purpose at the Member's Benefit Commencement Date. The amount payable will fluctuate annually as determined by the Pension Board, in consultation with the Actuary, due to changes in the values of the assets of the Pension Fund and to the mortality assumptions and experience;
- (ii) Variable Benefit Option to have the amount applied to provide the Member with a variable benefit, payable monthly from the Pension Fund, according to the requirements set out in the Income Tax Act and the PBSA. The total annual payment shall not be less than the minimum specified in the Income Tax Act nor greater than the maximum specified in the PBSA, and payments will begin not later than the latest date allowed by the Income Tax Act. With the approval of the Pension Board, a Member may elect to apply a portion of the balance remaining in the Member's Variable Benefit Account to another option, at which time the variable benefit payments will be recalculated. Payments will cease upon the effective date of the transfer of the entire remaining balance to another option, or upon the later of the end of the month in which the Member dies, or, if there is a Specified Beneficiary, the end of the month in which the Specified Beneficiary dies. Any balance remaining in the Member's account after the death of the Member and the death of the Specified Beneficiary, if any, will be paid as described in Section 11.

If required under the PBSA, a Member who has a Spouse on the Member's Benefit Commencement Date and elects this option must provide the Pension Board with:

- (A) a consent in the Prescribed Form by the Member's Spouse that was signed by the Spouse, not more than 90 days before the Member's Benefit Commencement Date, in the presence of a witness and outside the presence of the Member; or
 - (B) confirmation, in a form and manner satisfactory to the Pension Board, that section 145 of the Family Law Act applies.
- (b) Options external to the Plan include transfer of the amount to another registered pension plan, a registered retirement savings plan, a registered retirement income fund, or an insurance company to purchase an annuity, in accordance with the requirements of the PBSA. Such transfers must be on a locked-in basis for that portion of the Member's account contributed after December 31, 1992 plus the Investment Earnings on those contributions, but there is no lock-in requirement for the balance in a Member's account at December 31, 1992 plus the Investment Earnings on that amount after that date.

8.03 Voluntary Contribution Account Benefit

If a Member becomes eligible for benefits under subsection 7.02, the Member may elect to apply the balance of the Member's Voluntary Contribution Account as follows:

- (a) to be refunded to the Member as a lump sum, unless such payment is precluded by restrictions attached to the voluntary contributions;
- (b) to be transferred in accordance with any of the options available under paragraph 8.02(b);
- (c) if the Member elects to use the Member's Combined Contribution Account to provide a variable benefit under subparagraph 8.02(a)(ii), to have the balance of the Voluntary Contribution Account transferred to the Member's Variable Benefit Account;
- (d) if the Member does not elect to use the Member's Combined Contribution Account to provide a variable benefit under subparagraph 8.02(a)(ii), but the balance of the Voluntary Contribution Account is not less than twice the YMPE, to have the balance of the Voluntary Contribution Account used to establish a Variable Benefit Account to provide variable benefits; or
- (e) to a combination of the above options as approved by the Pension Board.

8.04 Minimum Balances

Under the terms of subsection 8.02, a Member may use all or part of their account balances to establish a Variable Benefit Account. If only part of an account balance is used, the initial amount applied to this option must not be less than twice the YMPE and, if the Member subsequently elects to apply part of the balance in the Variable Benefit Account to another option, the remaining balance must not be less than twice the YMPE.

8.05 Default Option

A retiring Member, who fails to make an election under subsections 8.02 or 8.03 prior to, or within 90 days following, the date of eligibility for a retirement benefit and who has not advised the Pension Board of a deferred Benefit Commencement Date, will be deemed to have elected to retain the Member's Combined Contribution Account and the Member's Voluntary Contribution Account, if any.

A Member who has not made the required election before December 1st of the last calendar year that the Member is eligible to hold a retirement savings plan registered under the Income Tax Act will be deemed to have elected an option selected by the Pension Board from those options in subsections 8.02 and 8.03 that the Member would be eligible to elect under the Income Tax Act and PBSA. In such a case, effective December 1st of said year, payment(s) under the option will be made as appropriate to the Member, or to an account in trust for the Member with a financial institution selected by the Pension Board.

8.06 Internal Variable Annuity

The Internal Variable Annuity is the annuity, calculated annually and payable monthly, commencing on the Member's Benefit Commencement Date, as elected under subparagraph 8.02(a)(i), calculated on the basis of a single life annuity with payments commencing on the Member's Benefit Commencement Date.

8.07 Prior Pension Benefit

The Prior Pension Benefit is the annual retirement benefit, payable monthly, commencing on the Member's Benefit Commencement Date under any Prior Pension Plan calculated on the basis of a single life annuity with payments commencing on the Member's Benefit Commencement Date, to which the Member may be entitled.

8.08 Supplementary Benefit

- (a) Under the provisions of subparagraph 8.02(a)(i), the Pension Board will prescribe an annuity option (the Qualifying Option) which qualifies for a Supplementary Benefit payable from the Defined Retirement Benefit Account.
- (b) The Supplementary Benefit is an annual amount, payable monthly, commencing on the Member's Benefit Commencement Date, and is equal to the amount, if any, by which the Formula Benefit, as defined in the appropriate paragraph 8.09(a), (b) or (c), exceeds the sum of the Internal Variable Annuity as defined in subsection 8.06, and the Prior Pension Benefit, as defined in subsection 8.07.
- (c) A Member who has made an election under subparagraph 8.02(a)(ii) and, with the approval of the Pension Board, subsequently elects a benefit under subparagraph 8.02(a)(i) is not eligible for the Supplementary Benefit.
- (d) Members other than those excluded by paragraph (c), are eligible for a Supplementary Benefit as follows. They may qualify for the full Supplementary Benefit defined in paragraph (b) by applying the entire balance of their Combined Contribution Account to the Qualifying Option. Alternatively, they may apply a

fraction of the balance, provided that such fraction is not less than three times the YMPE. If the amount applied is a fraction of the entire amount, then the Member qualifies for a reduced Supplementary Benefit equal to the same fraction of the Supplementary Benefit defined in paragraph (b).

- (e) Despite the foregoing, if a Spouse elects an Internal Variable Annuity as described in subparagraph 8.02(a)(i) pursuant to paragraph 11.01(b), the Spouse is eligible for a Supplementary Benefit on the same terms as set out in this subsection 8.08 in respect of a Member.

8.09 Formula Benefit

The Formula Benefit for a Member whose Benefit Commencement Date is at or following their Normal Retirement Date shall be an annual amount equal to the following but not greater than the Maximum Formula Benefit as specified in subsection 8.10:

2.0% of the Member's Final Average Earnings multiplied by the Member's years of Credited Service before January 1, 1966.

The Formula Benefit for a Member whose Benefit Commencement Date is prior to their Normal Retirement Date shall be the Actuarial Equivalent of the Formula Benefit as calculated under paragraph (a).

(c) For Benefits Payable to a Surviving Spouse

The Formula Benefit for a Spouse who elects an Internal Variable Annuity as described in subparagraph 8.02(a)(i) pursuant to paragraph 11.01(b) shall be the Actuarial Equivalent of the Formula Benefit to which the Member was entitled as of the Member's date of death as calculated under paragraph (a).

8.10 Maximum Formula Benefit

(a) At or following Normal Retirement Date

The Maximum Formula Benefit at or following Normal Retirement Date shall be the annual normal form of lifetime Formula Benefit calculated under paragraph 8.09(a), and shall not exceed the sum of:

- (i) the Member's years of Credited Service on and after January 1, 1991 plus the years of Credited Service prior to January 1, 1991, granted after July 1, 1992, multiplied by the lesser of:
 - (A) \$2,494.44 or such greater amount permitted under the Income Tax Act; and
 - (B) 2% of the average of the Member's best 3 consecutive years' remuneration from the University;

and

- (ii) the Member's Formula Benefit in respect of years of Credited Service earned prior to January 1, 1991 and granted prior to July 1, 1992, to a maximum of 35 years.

(b) For Benefits Commencing Before Normal Retirement Date

If the Member's Benefit Commencement Date precedes the earliest of the day on which:

- (i) the Member will attain age 60;
- (ii) the Member's age plus Continuous Service would have equalled 80; and
- (iii) the Member would have completed 30 years of Continuous Service,

the Maximum Formula Benefit shall be the amount determined in paragraph (a) reduced by 0.25% for each month by which the Member's Benefit Commencement Date precedes that day.

8.11 Annual Adjustment of Formula Benefit and Supplementary Benefit

(a) Annual Adjustment of Formula Benefit

- (i) The Formula Benefit, as described in the appropriate paragraph 8.09(a), (b) or (c), shall be adjusted as at July 1 next following the Member's Benefit Commencement Date and at each succeeding July 1 until benefits cease to be payable.
- (ii) The minimum adjustment in a particular year is zero and the maximum adjustment is 3% of the amount paid immediately prior to the adjustment. If less than 12 months have elapsed since the Member's Benefit Commencement Date, the maximum adjustment is $\frac{1}{4}\%$ for each month that has elapsed from the Member's Benefit Commencement Date to the adjustment date.

- (iii) The adjustment in a particular year shall be calculated as the Formula Benefit including all previous adjustments, adjusted by the percentage change in the value of the Consumer Price Index over the 12 months ending on the immediately preceding March 31, plus or minus any Carry Forward addition or deduction from the immediately preceding year as described in (iv) below and, subject to the limits described in (ii). If less than 12 months have elapsed since the Member's Benefit Commencement Date the change in the value of the Consumer Price Index will be reduced to the amount obtained by multiplying the percentage change by 1/12 for each month that has elapsed from the Member's Benefit Commencement Date to the adjustment date.
- (iv) If the unlimited adjustment calculated in (iii) exceeds the maximum adjustment described in (ii), the amount by which the unlimited adjustment exceeds the maximum shall be a Carry Forward addition in the subsequent year's adjustment calculation. If the unlimited adjustment calculated in (iii) is negative, this negative amount shall be a Carry Forward deduction in the subsequent year's adjustment calculation.

(b) Annual Adjustment of Supplementary Benefit

The Supplementary Benefit, as described in subsection 8.08, shall be recalculated and, if payable, adjusted as at July 1 next following the Member's Benefit Commencement Date and at each succeeding July 1 during the Retired Member's lifetime so as to reflect adjustments to the Formula Benefit, the Prior Pension Benefit and the Internal Variable Annuity.

(c) Additional Adjustments

A Retired Member will continue to receive the retirement benefit that the Member elected and as was specified in the Plan at the Member's Benefit Commencement Date.

Notwithstanding the foregoing, ad hoc adjustments to compensate in whole or in part for the effect of inflation, as measured by the Consumer Price Index, in reducing the purchasing power of the retirement benefits of a Retired Member in receipt of the Defined Retirement Benefit or a Supplementary Benefit, as it was defined at the Member's Benefit Commencement Date, may be recommended by the Pension Board and approved by the Board of Governors. Such ad hoc adjustments are subject to the limits prescribed by the Income Tax Act.

8.12 Termination of Membership

The payment of the entire amount of the balance of the Member's Combined Contribution Account, Voluntary Contribution Account, and Variable Benefit Account to the company or companies selected by the Member for the purposes of paragraph 8.02(b) shall constitute a complete, final and binding discharge by the Pension Board of all obligations owed by the Plan to the Member. From the date of the payment of the amount(s), the Member shall for all purposes cease to be a Member of the Plan, and shall thereafter have no right or claim of any kind whatsoever against the Plan.

 - (i) a statement in Prescribed Form by the Member's Spouse that states that the Spouse is aware of the Spouse's entitlement under paragraph (b), waives that entitlement and was signed by the Spouse, before the Member's death, in the presence of a witness and outside the presence of the Member, or

SECTION 11 - DEATH BENEFITS

11.01 Death Before Member's Benefit Commencement Date

Subject to any rights that a person may have under Part 5 or Part 6 of the Family Law Act:

(a) Death Benefit Amount

In the event of the death of a Member prior to the Member's Benefit Commencement Date, a death benefit is payable to the Member's Beneficiary equal to the sum of the amount of the Member's Combined Contribution Account and Voluntary Contribution Account at the date of death, in such proportions as had been designated by the Member.

(b) Death Benefit Payable to Spouse

If the Member had a Spouse at the time of the Member's death, the death benefit payable under paragraph (a) must be paid to the Member's Spouse. The Spouse may elect to apply the death benefit to any of the options available to a retiring Member under subsection 8.02 as if references to the Member were replaced with Spouse, but without regard for the Spouse's age.

If a Spouse fails to make the election described in the above paragraph within 90 days of receiving the statement required by the PBSA, the Spouse will be deemed to have elected to retain the Member's Combined Contribution Account and Voluntary Contribution Account, if any.

A Spouse who has not made the required election by the later of (i) December 1st of the last calendar year that the Spouse is eligible to hold a retirement savings plan registered under the Income Tax Act, and (ii) one year following the Member's date of death, will be deemed to have elected an option selected by the Pension Board from those options in subsections 8.02 and 8.03 that the Spouse would be eligible to elect under the Income Tax Act and PBSA. In such a case, effective December 1st of said year, payment(s) under the option will be made as appropriate to the Spouse, or to an account in trust for the Spouse with a financial institution selected by the Pension Board.

(c) Spousal Waiver of Death Benefit

- (i) A Member's Spouse may waive entitlement pursuant to this subsection 11.01 at any time prior to the Member's death by delivering a signed waiver in the Prescribed Form to the Pension Board.
- (ii) If a waiver pursuant to subparagraph (i) is in effect, the benefits payable under the Plan as a consequence of the death must be paid as if the deceased Member died leaving no surviving Spouse.
- (iii) Despite any other provision of this Plan, if a Spouse waives entitlement under this subsection 11.01, the Spouse is not entitled to receive any benefit by way of a lump sum payment as the Member's Beneficiary.

(d) Death Benefit Payable to Non-Spouse Beneficiary

If the Member does not have a Spouse at the date of death, or, if the Pension Board receives from the surviving Spouse a waiver pursuant to subparagraph 11.01(c)(i), the death benefit payable under paragraph (a) is payable in a lump sum to the Member's Beneficiary.

(e) Refund of Voluntary Contributions

If the person entitled to the death benefit is the Member's Spouse, the portion of the death benefit that is attributable to the Member's Voluntary Contribution Account is not subject to lock-in restrictions and may be paid in a lump sum unless such payment is precluded by restrictions attached to the voluntary contributions or transferred to another registered pension plan, a registered retirement savings plan, a registered retirement income fund, or an insurance company or other financial institution .

11.02 Death After Member's Benefit Commencement Date

In the event of the death of a Retired Member who had elected an annuity under subparagraph 8.02(a)(i) the sums payable, if any, shall be in accordance with the form of benefit elected by such Retired Member under Section 9.

In the event of the death of a Retired Member who had elected a benefit under subparagraph 8.02(a)(ii), a death benefit is payable as described in subsection 11.01 as if references to the Combined Contribution Account and Voluntary Contribution Account were replaced with the Variable Benefit Account. Upon the death of a surviving Spouse who is in receipt of benefits under subparagraph 8.02(a)(ii), the balance remaining in the Variable Benefit Account is payable to the Spouse's designated beneficiary or if none to the estate of the Spouse.

11.03 Proof of Death

Payment arising or conditional upon the death of any Member, joint annuitant or any other Beneficiary or upon the continued life of a Member, joint annuitant or any other Beneficiary or upon the happening of any other event or contingency upon which a payment becomes payable shall be made only after receipt by the Pension Board of satisfactory proof of such death or from time to time of such continued life or the happening of such event or contingency, as the case may be.

SECTION 12 - TERMINATION OF COVERED EMPLOYMENT

12.01 A Member whose Covered Employment is terminated for reasons other than death or retirement shall immediately cease to be eligible to make Member contributions under Section 4 and to receive University contributions under Section 5, and may elect at termination or subsequently with respect to the balances in the Member's Combined Contribution Account and Voluntary Contribution Account a combination of the following options, subject to the approval of the Pension Board:

- (a) to retain the Member's Combined Contribution Account and Voluntary Contribution Account until the Member's Benefit Commencement Date, and on this election being made the Member may further elect to have the amount of the Member's Combined Contribution Account and Voluntary Contribution Account at the date of termination plus Investment Earnings on those amounts applied to provide a benefit as described in subsection 8.02;
- (b) subject to paragraph 15.01(a), to transfer the amount(s) to another registered pension plan, a registered retirement savings plan, a registered retirement income fund, or an insurance company to purchase an annuity, in accordance with the requirements of the PBSA. Such transfers must be on a locked-in basis for that portion of the Member's Combined Contribution Account contributed after December 31, 1992 plus the Investment Earnings on those contributions, but there is no lock-in requirement for the balance in a Member's Combined Contribution Account at December 31, 1992 plus the Investment Earnings on that amount after that date nor on the balance in a Member's Voluntary Contribution Account unless the funds were originally transferred in on a locked-in basis; or
- (c) in respect of the balance in the Member's Voluntary Contribution Account only, as a lump sum payment.

A Member who elects an option other than one including paragraph (a) above will cease to be a Member and have no further entitlement under the Plan upon such transfer. A Member who fails to make an election of one of the above options within 90 days of receiving the statement required by the PBSA will be deemed to have elected the option in paragraph (a).

12.02 A Member whose Covered Employment is terminated and who elects the option described in paragraph 12.01(a) retains eligibility for a Supplementary Benefit as described in subsection 8.08.

12.03 A transfer under paragraph 12.01(b) or (c) shall be in accordance with the requirements of the Income Tax Act and the PBSA.

SECTION 13 - PLAN AMENDMENT AND TERMINATION

13.01 Amendment

Further to subclause XV.(1) of the Trust Agreement, the Members may, by resolution passed at a properly convened meeting of the Members, make proposals for the amendment of the Plan and upon receipt thereof by the Pension Board it shall within a reasonable time report to the membership its decision in respect to such resolution.

13.02 Termination

- (a) Further to subclause XV.(2) of the Trust Agreement, and in the event of the termination of the Plan, the Pension Board shall allocate the balances of the various accounts described in subsection 10.02 to Members and Beneficiaries according to the following entitlements:
 - (i) Members and Beneficiaries holding Voluntary Contribution Accounts or Variable Benefit Accounts shall be entitled to receive their respective account balances.
 - (ii) Members who have not made an election under subsection 8.02, and their Beneficiaries, shall be entitled, except as provided by subparagraph (v) below, to receive their respective Combined Contribution Account balances as of the date of termination. Each such Member or surviving spouse of the Member may elect, within 90 days of receiving the statement required by the PBSA, a transfer of the Member's Combined Contribution Account balance in accordance with paragraph 12.01(b). If the Member or surviving Spouse does not make the election in the time limit specified, payment(s) will be made as appropriate to the Member or the surviving Spouse or to an account in trust for the Member or the surviving Spouse with a financial institution selected by the Pension Board. A Beneficiary who is not the Spouse of a Member will be paid the entitlement as a lump sum.
 - (iii) Recipients of defined benefit pensions that are payable under the provisions of the Plan as was specified prior to the first day of January 1992 shall be entitled to a retirement benefit equal in value to the actuarial value of the defined benefit pension payable as of the date of termination. This entitlement shall be funded from the Defined Retirement Benefit Account.
 - (iv) Recipients of Internal Variable Annuities shall be entitled to a total retirement benefit equal in value to the annuity payable under subparagraph 8.02(a)(i) as of the date of termination plus the actuarial value of any Supplementary Benefit payable under subsection 8.08 as of the date of termination. This entitlement shall be funded by a pro-rata share of the Internal Variable Annuity Account based on the number of units held by the annuitant plus supplementary funds drawn as required from the Defined Retirement Benefit Account.

- (v) Members who have attained the age of 65 at the date of termination but have not made an election under subsection 8.02 shall be entitled to a money purchase benefit equal to their Combined Contribution Account balance under subparagraph (ii), or at the Member's option a retirement benefit equal in value to the actuarial value of the Formula Benefit determined under subsection 8.09 as of the date of termination. This entitlement shall be funded by the Member's Combined Contribution Account plus supplementary funds drawn as required from the Defined Retirement Benefit Account.
- (b) If any surplus remains in the Defined Retirement Benefit Account after it has been allocated in accordance with paragraph (a), the available funds shall be distributed according to a non-discriminatory formula adopted by the Pension Board and in accordance with the PBSA.
- (c) If, at the Plan termination date, the Defined Retirement Benefit Account is insufficient to provide for all of the defined benefits payable out of that account as determined under subparagraphs (a)(iii), (a)(iv) and (a)(v), the University shall contribute the amounts required to fund those benefits in accordance with the PBSA. If despite the preceding sentence, the assets in Defined Retirement Benefit Account remain insufficient to provide for all of the defined benefits payable out of that account as determined under subparagraphs (a)(iii), (a)(iv) and (a)(v), the assets in the Defined Retirement Benefit Account must be allocated and distributed pursuant to section 135 of the regulations under the PBSA, as amended or replaced from time to time.

SECTION 14 - MISCELLANEOUS

14.01 Non Alienation

Subject to the PBSA, any benefits which are provided under this Plan shall not be subject in any manner to anticipation, surrender, alienation, sale, transfer, assignment, pledge, encumbrance, charge or given as security and any attempt to anticipate, surrender, alienate, sell, transfer, assign, pledge, encumber, charge or give as security the same shall be void and non-enforceable against the Plan; and, subject to applicable laws, any such benefits shall not in any manner be liable for or subject to the debts, contracts, liabilities, engagements, or torts of the person who shall be entitled to such benefits, nor shall they be subject to attachment, seizure, execution or legal process for or against such person.

14.02 Information Disclosure

Each Member and Beneficiary of a deceased Member entitled to benefits under the Plan shall be entitled to receive or request the statements, Plan documents and other information required to be provided or disclosed by the Pension Board in accordance with the PBSA.

14.03 Payments

- (a) If a person elects a lump sum payment or transfer from the Plan, the payment or transfer shall be made within 60 days after the person completes and files with the Secretary to the Pension Board, all documents required to authorize the payment or transfer, including evidence of entitlement. The payment of the entire amount of an individual's entitlement from the Plan shall constitute a complete, final and binding discharge by the Pension Board of all obligations owed by the Plan to an individual and the individual shall thereafter have no right of claim whatsoever against the Plan and, if the individual was a Member, the Member shall for all purposes cease to be a Member of the Plan.

If a payment is in excess of the maximum limit that can be transferred to another plan or to a retirement savings plan registered under the Income Tax Act, then the amount of that payment that is in excess of that maximum limit is exempt from any lock-in restrictions and must be paid in a lump sum.

- (b) Despite any other provision of this Plan, if under the Plan a lump sum cash payment may be payable to a person, and the Income Tax Act permits the entire amount of that cash lump sum to be transferred directly to a registered retirement savings plan or registered retirement income fund, that lump sum payment may be transferred to a registered retirement savings plan or registered retirement income fund at the option of the person to whom the lump sum is payable.

14.04 Permitted Unlocking

(a) Small Benefit

- (i) If the total payable from a Member's Combined Contribution Account is less than 20% of the YMPE for the calendar year in which the Member

terminated Covered Employment, retired or died, or any subsequent year in which the value of the Combined Contribution Account is determined prior to the Member or Spouse's Benefit Commencement Date,

- (A) the Member or surviving Spouse of the Member may elect to receive the value of the Combined Contribution Account in a lump sum; and
- (B) notwithstanding subparagraph (A), the Pension Board reserves the right to compel a Member or surviving Spouse of the Member to take the value of the Combined Contribution Account in a lump sum.

- (ii) If the value of a Retired Member's Variable Benefit Account is less than 20% of the YMPE for the calendar year in which the value of the Variable Benefit Account is determined, the Retired Member or surviving Spouse may elect to receive the value of the Variable Benefit Account in a lump sum.

(b) Non-Resident

- (i) A Member whose Covered Employment has terminated pursuant to Section 12 or a Spouse entitled to a benefit under subsection 11.01 may elect to withdraw as a lump sum an amount equal to the value of the Combined Contribution Account on providing to the Pension Board a statement signed by the Member or Spouse that the Member or Spouse has been absent from Canada for more than two years and written evidence that the Canada Revenue Agency has confirmed the person's status as a "non-resident" of Canada for the purposes of the Income Tax Act.
- (ii) If a Member who wishes to make an election in accordance with subparagraph (i) has a Spouse at the date of such an election, no payments will be made unless the Pension Board has received:
 - (A) a statement in Prescribed Form by the Spouse that states that the Spouse is aware of the Spouse's entitlement under the Plan, waives that entitlement and was signed by the Spouse, not more than 90 days before the election is made, in the presence of a witness and outside the presence of the Member; or
 - (B) confirmation, in a form and manner satisfactory to the Pension Board, that section 145 of the Family Law Act applies.

(c) Shortened Life Expectancy

 - (B) withdraw as a lump sum an amount equal to the balance of the person's Combined Contribution Account or Variable Benefit Account, as the case may be, or any lesser amount that the person may select.
- (ii) If a Member who wishes to make an election in accordance with subparagraph (i) has a Spouse at the date of such an election, no payments will be made unless the Pension Board has received:
- (A) a statement in Prescribed Form by the Spouse that states that the Spouse is aware of the Spouse's entitlement under the Plan, waives that entitlement, and was signed by the Spouse, not more than 90 days before the election is made, in the presence of a witness and outside the presence of the Member; or
 - (B) confirmation, in a form and manner satisfactory to the Pension Board, that section 145 of the Family Law Act applies.
- (iii) After any payment pursuant to this paragraph (c), the Member will continue to participate in the Plan. On the Member's subsequent termination of Covered Employment, retirement or death, any payments made with respect to such Member will be reduced to reflect any payments made under this paragraph (c).

14.05 Designation of Beneficiary
