INVIGILATOR DUTIES:

It is the invigilator’s responsibility to be familiar with the Regulations Governing Administration of University Examinations on the Academic Calendar.

- It is the invigilators’ responsibility to pick up, distribute, collect and ensure the safe return of the exam papers to the appropriate academic unit.
- ARRIVE WELL IN ADVANCE to familiarize yourself with the room. Rooms are booked 30 minutes prior to the start and 30 minutes after the end of the exam for setup and take down.
- Invigilators should announce prior to the start of the exam that in the event there is a need to evacuate the room (e.g. fire alarm) that students must hand all exam papers to the invigilator(s) and then follow the EXIT signs to leave the building. Do not re-enter the building until permission is given by the appropriate official. Re-start the exam and allow students to make up the time missed. If it is not possible to re-start the exam, notify Lori Nolt, Acting Associate Registrar (associatereg@uvic.ca).
- Invigilators must ensure that students are seated and that the exam begins and ends on time. The invigilators are responsible for the conduct of the exam.
- Students are subject to supervision at all times while in the examination environment during the entire timeframe of the examination. The examination environment includes the room in which the examination is being written, as well as the hallways and washrooms adjacent to the examination room.
- Invigilators may escort students to and from the washroom.
- At least one invigilator is responsible to remain in the exam room throughout the exam.
- Silence should be maintained.
- Invigilators are responsible for ensuring that students leave the exam environment upon completion of the examination.
- Upon completion of the examination, remove all papers, booklets, and anything else that students may have left behind or that does not belong in the room. These items should be taken to Campus Security Lost and Found as soon as possible.
- Please note that students who require accommodation during an examination should contact the Centre for Accessible Learning (CFAL) in advance.
