2020/2021 WORK STUDY PROGRAM
JOB POSTING

JOB TITLE: ENVI4 - Mountain Legacy Project research assistant

EMPLOYEE GROUP: CUPE

DEPARTMENT NAME: Environmental Studies

CONTACT NAME: Eric Higgs & Alina Fisher

JOB DESCRIPTION:

The Mountain Legacy Project is a long-term interdisciplinary research program that maintains the world’s largest systematic collection of historical and contemporary mountain images (mountainlegacy.ca and explore.mountainlegacy.ca). Our research activities involve studies of long-term landscape change across a wide variety of changes (human development, tree line changes, glacial recession, forest composition & etc.).

We are looking for a 2nd, 3rd, or 4th year undergraduate student to assist with digital management. The ideal candidate is someone doing a double major in Environmental Studies, loves mountains, and has strong computer skills. For the right candidate, there is a strong track record of this kind of position leading to further work, including field-based activities (but, no promises). You would work alongside a dynamic team of graduate students and research associates in University House 4, and expected to partake in regular team-based activities.

QUALIFICATIONS:

Strong and fearless computer skills, ideally with advanced understanding of MacOS.
Detail focused
Willingness to learn, and fascination with research and mountains
Availability to work a regular weekly schedule

JOB LOCATION ON-CAMPUS: University House 4

WORK STUDY WAGE: $15.50/hour (including 4% vacation pay)

DEPARTMENT TOP UP: $2.00

HOURS AVAILABLE: 145

HOW TO APPLY: By email, with a brief cover letter and resumé to Alina Fisher (alinaf@uvic.ca)
