Academic Restricted & Priority Room List

Academic Timetable and Scheduling
Registrar Information Systems
Office of the Registrar

Purpose:

The purpose of this document is to list the Restricted, Lab, and Priority room agreements available for the development of the Winter Session timetable.

Definitions:

Restricted: Rooms that are not available as general purpose, to be used only by specific departments, such as concert halls and theatres.
Lab: Rooms with specialized furnishings/equipment for laboratory sections, such as science labs that are equipped with Bunsen burners, sinks, etc.
Priority: Rooms that are not open to general use until after the "priority" department has roomed their classes
