

Replacement of the “In-principle application form” with the form “Request for Funding Release Prior to Human Research Ethics Review” and Instructions

January 14, 2015

Effective Immediately

The “In-principle application form” (*An interim ethics approval to permit partial release of research funds for preparatory activities*) has been removed from the research ethics website. **

Please use the new form “**Request for Funding Release Prior to Human Research Ethics Review.**”

The new form may be found at:

http://www.uvic.ca/research/assets/docs/Grants/Request%20for%20Funding%20Release_HRE.docx

Instructions

Please submit the “**Request for Funding Release Prior to Human Research Ethics Review**” form to Manager, Research Finances and Operations, c/o Office of Research Services, Administrative Services Building, Room B202.

If you have any questions please contact Manager, Research Finances and Budget at 250-721-8079, orsfince@uvic.ca

***If your project has been granted an approval for the “In-Principle Application Form,” prior to today’s date, the in-principle approval is valid until the expiry date. You will submit a Standard Research Ethics Application as per the instructions on the In-Principle Approval.*
